

5. A Great Leap Forward for the Chung Pyung Providence following True Mother's Completion of Mourning Devotions

2015.8.30. *The Third Universal Seonghwa Memorial of Sun Myung Moon, True Parents of Heaven, Earth and Humankind*

Until the third anniversary of True Father's Universal Seonghwa, True Mother offered three years of mourning devotions, creating a trinity with True Father in heaven, centering on Heavenly Parent. True Mother later stated "The three years of mourning devotions was not my work alone. It was True Mother on the earth and True Father in the spirit world, centering on the Heavenly Parent, creating a trinity." Along with this foundation, another foundation was made through the unity between Hyo Jin Nim and Heung Jin Nim as Cain and Abel. The four position foundation of the True Family was firmly established in the spiritual and physical world, finally opening the age for the realization of Cheon Il Guk.

After the 17th day of the 7th month by the heavenly calendar in the 3rd year of Cheon Il

Guk (August 30, 2015), the third anniversary of True Father's Universal Seonghwa, True Parents have been opening the age of direct dominion of the spirit world and the physical world. True Mother on earth and True Father in heaven achieved oneness in heart, oneness in body, and oneness in thought, and can advance the providence by directing both the spiritual world and physical world. This established a stable new age of order in the spiritual world since True Father has reorganized the spiritual world for the three years after his ascension and Hyo Jin Nim now stands in the restored position of the first son. True Mother spoke a great deal about the changes in the Chung Pyung Providence three years after True Father's Universal Seonghwa.

"From now on, if there is unity with True Parents, there will be miracles. If you invest yourself in prayer and devotion, your problems will be solved. This is possible because the spiritual base is already prepared. It is time for spirit world to support us automatically. Through the foundation established by investing 21 years of devotion, the automatic system has been set up. Father went to spirit world and completed the work to set up the system for heaven and earth." (24 Sep 2015)

2015.10.24. The Opening Ceremony of Chinhwa Park

Now that three years have passed since True Father's Universal Seonghwa, the work of the returning resurrection to become one with True Parents is very active at Chung Pyung Heaven and Earth Training Center. Such work of the holy spirit shows that new life can be born based on the foundation of True Parents through the separation of spirits, ancestor liberation, and ancestor blessing, which had been conducted during the second stage of the Chung Pyung Providence. True Parents compared the Chung Pyung Holy Ground where this work is going on to a womb. (24 Oct 2015)
