OPENING PRAYER OF GRATITUDE

MOST HONORABLE Heavenly Parent

BELOVED True Parents of HEH

TY TYVM, Today at this hour, we Offer our Gratitude for Your Opening the Wide Gates of Heaven and Directly Presiding Over this 1,698th Cheon Shim Won Special Vigil Devotion.

Heavenly Parent Purely of Love, Please Look upon us with Your Compassion. We Know that had it not been for Your Grace and Salvation, we would still be the pitiful beings with no choice but to perish. Having Received Your Calling up until now, we have been the sons and daughters who have Followed along the Path of the Will while Enduring Trials and Hardships, so Please Look Upon us with Your Great Embrace of Love and Compassion so that we Feel the Grace of Glory that You Permit.

Heavenly Parent, everything centered upon human beings has an end, whereas we Know that whatever Continues Centering on You Continues Eternally. So, we Earnestly Hope and Pray that we Give our All only to what Manifests Centering Upon You Alone, Starting from the Garden of our Hearts. The more

Earnest our hearts are in Searching for Your Will of Heart, Heavenly Parent, let us never forget the Truth that You Come to us, and You are with us, even before we Realize it.

Please Grant us Strong and Bold Power, so that we will Fight until we Completely Reclaim the Garden of Hope, and Protect us so that we do not grow weary. Since this hour is a time when people across the entire world who are Praying with One Heart and One Will, Please Preside Over the Entirety of Wherever People Participate in Devotion, let them Know Your Power and Authority, and Your Answer with Works of Healing and Great Works of Resurrection.

Allow us to Move Forward with You in Spirit and Truth, just as You Exhorted us with Your Word, Please Work so that all of our heart and all of our Will, through Earnest Prayer and Devotion Will simply Seek and Grow in Roots of a Steadfast, Unshakeable Faith, so that we Become a Witnessing Body, a Church Body.

Heavenly Parent, Please Protect this nation of Korea, the Homeland of the Providence. Through the Education of the Epic History of the Chosen Han People of Korea and the Education of the Divine Principle, please awaken this nation to Heaven's Will, and Work so that this Nation may Fulfill Heaven's Mandate and Fulfill its Responsibility especially Starting with the Heavenly Mother Nation of Japan, across all Continents and Nation and Fields around the world, Please Work so that, Armed with Spirit and Truth, we will Proclaim boldly and spread Awareness that You, (Purely Through True Parents ARE with us) to the ends of the earth.

Please Work so that all the Righteous People Build an Altar of Devotion, and (let us Find and Work with the Righteous People You are Yet Preparing as we Grow ourselves more for You to Work through with them) in Order to Continue to Build the Central Nation of Peace that You Have Longed For so Deeply. May we be Grown Gathered Centering on this Cheon Shim Won Place and in Gratitude of Knowing Most Preciously What We have Been Gifted with, Allow us to Move Forward with Intervention of Your Heart's Wisdom and Power and Authority.

VIDEO - DAEMO NIM'S LIFE OF ATTENDANCE

Daemo nim's Life was a Life of Prayer. She Prayed solely for True Parents. During the time I Attended Her, I think I could call her Greatest Extravagance solely her Prayer Garments.

Daemo nim's Life was Spent Praying at home Praying for True Parents and True Family.. All those hours she spent Waiting for True Parents to Call her to Them. If she wasn't Praying or Reading a Book or Deep in Thoughts (there was nothing unrelated in her Life).

If we were to ask what she indulged in of her clothes, sort of speak, the one thing she put so much care and attention into was her Prayer Garments, her Prayer Garments, her Prayer Garments for spring, summer, autumn and winter are Preserved in Daemo nim's Memory Hall. And there is probably no one else who had so many Prayer Garments.

Those Prayer Garments were Made with Special Devotion even as she Prayed with Special Devotion. She always Bowed First and put on her Prayer Garment. Every single day, whenever any Thought came to Mind, she would Pray. Whatever, whenever she Heard Something, she would Pray. That was her Entire Way of Life.

While Attending Daemo nim, I Thought, before God Chose True Mother, when God was Considering among whom of a thousand women Shall I Have this One Woman be Born Through. When God Looked Upon the people of this earthly world, Deciding who to Choose so that this One Woman Could Be Born, didn't God Choose Daemo nim right then and there.

If we Asked, 'Why Did You Choose Daemo nim?' It was Because of her Readiness.

She had Completed all the Preparation to Say, 'Yes.' at any Moment, Ready to Receive whatever Work God was Doing. In Every Matter, she was Someone Whose Mind and Body were Completely Sanctified. Because I Attended Daemo nim I Know this that probably no one else Completely Knows. I Know it because I lived so closely alongside Daemo nim.

No matter how much one tries to Explain in Words, words remain mere words. How could one ever Express in Words how she was Completely Sanctified.

While Living on Shimyeon Road, she often Talked about Stories of the Old Age. She Spent many of those Years Reminiscing about the Past. Also her Heart of Yearning for True Parents Cannot Be Described in Words... In any case, Waiting with that Expectation, Waiting for the Moment when True Parents Said, 'Come.' was her Sole Hope in her Life.

So, she Lived a Life where the Instant True Parents Said, 'Come!', she would Instantly Rise and Leave Right Away, Keeping her Shoes, Handbag and Attire Completely Ready and Waiting. She was Extraordinarily Good at Singing. That is why True Mother takes after Daemo nim. Though the Songs she Knew were limited in number, there was a Song, 'Blue Waters of Tuman River'. She Would Sing that Song at any hour, Weeping as she Sang. Shedding Streams of Tears, she Would Sing It While Yearning for True Parents. That Song was Daemo nim's Signature Favorite.

And occasionally, she Sang the Song, 'Yearning Dream'. Some Songs she Sang simply for Enjoyment such as, 'Half Moon' and 'Pasque Flower'. Daemo nim Loved that Song very much, and it turned out that Father Loved that Song so much also.

The Day that Daemo nim Ascended to the SW, that very Day was the Dedication Ceremony Day of the Celebration of Sun Moon University in Cheonon. That very Day was, by someone Spiritually Perceptive, the Day that True Parents's Personal Safety would be in danger.. On the Day of the Sun Moon University Dedication Ceremony, I told Them not to go. But how could They not Go when so many outside guests had already been Invited.

True Parents Went anyway, and Daemo nim told me that she took all that danger upon herself, and Passed

to the Spirit World at that Moment of the danger. From the very first Day after her Seonghwa, I did the 40-day Vigil Devotion. During that Time, she told me that while she was alive on earth, she had refused to listen to the voices of the earth.

Daemo nim Refused to Listen to the earthly voices. She said, 'I merely tried to Live to Fulfill the Mission of Mary.' And the Words she Spoke to me were,

'From the moment you were born into this world, you were born Carrying a Bond of Affinity with me. Therefore, it is not merely that we Met Providentially, but because you were born that very moment into this world already with a Bond with me, you are my child.'

That is what she Told me. Saying this, she Told me that, 'For 3 years, Centering on Daemo nim and Centering on True Mother, if I Prayed Earnestly for 3 years Following Mother's Seonghwa, Mother's World would Come, in the future, a Time when Mother Appears before the world.

Up until now, everyone has lived Feeling Affection Toward Father and has been Closer to Father. However, from now on, if you Pray Earnestly, Centering on Daemo nim for 3 Years, Mother's World will Come, and all people Must Be Reborn Through Mother. That is to Say, 'We Must Enter Mother's Womb and Be Born Again.'

Only when we Form a Bond of Heart and Affection with Mother, in that Way, we will Find Peace. Even if at home, when children come in from outside, there are no children who Call Out for dad first. They Call Out 'mother' 'mom'. So, before Members Seek Father, they Will Seek a Bond of Affection with Mother and Come to Father Through Mother. Only when things Happen in this Way Will the Time Come when the Will is Properly Rooted and Established.

For that Purpose, (she was Told to) Offer your utmost Devotion for 3 Years, that is what she Told me.

(sister) SONA DYONG - Wife of the Leader of the Wanong CARP House

(bows and gratitude)

We are the 2nd generation Family Blessed in 2020. I am not really worthy to stand here, but I Decided to Give this Testimony with the Heart that it too is a Devotion Given for my younger siblings' Blessing.

I was born the eldest of 1 son and 2 daughters to Sonyangson and Masato Yamamoto of 30,000 Couples. Our Family Faced many kinds of hardships. When I was in middle school, my father left home, leaving behind a large debt, and my younger brother was left with an intellectual disability, after a fall when he was a baby. And my younger sister was living a life of wandering, because our home was so unstable.

As soon as I went to the university and was living independently, I tried to leave the Church. But just as I was about to leave, what helped me back was my mother. I Felt that if I called this Church 'a heresy' and elected to leave, I would be saying that my mom lived a heresy, after she had lived a beautiful life all her life. (tears)

So, I Decided that, before leaving, I would first properly find out whether this Church was real or fake, and then leave with a clear conscience. That is how I Entered the CARP House. I gave myself exactly one semester of doing my best to Find Out, and if I couldn't find out, I would leave the Church. Centered on a campus area leader, I Held Onto the Principle and the Word until I could be convinced. I became a Campus Chapter Leader and Worked with all my strength.

As the semester was ending, I still hadn't found conviction about this Church. So, I was thinking of leaving when vacation began. Then, my Campus Leader Suggested a FR Workshop during the vacation period. I Thought, 'I have Received so much Love until now, I will make this Workshop the last chance, and Give that Love back.

While Fundraising, when I reached my physical and spiritual limits, True Father Appeared to me spiritually. Suddenly, I actually Experienced a Video of my life in the SW (tears) and a Video of True

Parents's Sorrowful Course Unfolding before me like a panorama. In that Moment, endless Tears Poured Out, and I sank down right there and sobbed.

I had Wanted to deny the SW, and that the True Parents were the Messiah, but this Experience Became an Event that left me with no choice but to Accept the SW and True Parents. (I'm applauding)

After that, I Resolved to go on a 1-year Mission to Albania. And when I came back, my family was even more miserable and in even greater difficulty. It Felt as if the closer I went to Heaven the harder my family was struck. Still, I couldn't just stand by and watch my very young sister be swept around by dark spirits.

Like a parent who had lost a child, with a Desperation that was almost out of my mind, I Called to Heaven and Lived my Faith even more Earnestly. I Realized that all of the hardships of our family had come down from our ancestors. With tears, I Wanted to Love the ancestors and to Forgive the ones I couldn't forgive, and to be Victorious, I Wanted to Offer the 430-ancestor Liberation and Devotion, Shedding Tears of Blood, Living day by day to save money.

I Offered all the Scholarship money I had Saved and Gave everything I owned. As a result, I was Able to win the ancestor Blessing for both my father and my mother's sides. applause

'Holy Mother Han, let it be Known, this is our Prayer to You'

Hide me now Under Your Wings

Cover me within Your Guiding Hand

When the oceans rise and thunders roar

I will Soar with You above the Storm

Father, You are King over the Flood

I will be still knowing You're God

I Rest my soul in Father Alone

Know His Power in Quietness and Trust

When the oceans rise and thunders roar,

I will Soar with You above the Storm

Mother, You are Queen over the flood

I will be still knowing You're God

VIDEO WELCOMING ADDRESS: US Cheon Shim Won PRESIDENT DOO SEONG MEON

Hello, before the hard Work of President Lee Gi-seong at the Heaven and Earth TC and the Branch Directors of all nations who are steadfastly building up the Tower of Prayer and Devotion at Cheon Shim Won today, I Offer my heartfelt Respect and Gratitude. At the same time, I Extend my Gratitude and Thanks to all the Volunteers Dedicating themselves behind the scenes so that this Devotion may Continue Seamlessly.

Especially during this Providentially Great Time Representing Cheon Shim Won US, I Offer deep

Feeling of Gratitude before the Director Moon Shin chul and the 4PF True Father who are Working in Close Quarters, Diligently while Attending True Mother, Who Bears the Cosmic Cross...

Today, I Greet you with joyful heart from this meaningful sight where 110 Members Gather together for the Northwest 3-Day Yeongseong Workshop and Weekend Ancestor Liberation Ceremony and Blessing. I also Express Gratitude to the many Dedicated Efforts of Director Ryiuchi, who for the sake of Members unable to travel to Cheon Shim Won US Main HQ in LV, due to the geographical condition of the vase North American Continent, personally Visited local sites, to Pass Down the Grace of Cheon Shim Won.

At the weekend Workshop Held last week, at Cheon Shim Won Oregon, where Members were Invited to Participate, truly abundant Grace and deep Emotion Poured Forth. I would like to Report by compiling 4 major Testimonies from that Event, along with the Testimony of one who has been Gathering Testimonies as a Core Member of Cheon Shim Won USA.

JUNKO YAMAMURA of Seattle: The Moment we Clapped the Hyo Jeong Ansu this morning, through the Intense Spiritual Energy Feeling like Needles Piercing both hands, I Vividly Realized throughout my entire body, that the SW is Working Mightily, amidst the Devotion of Portland Members and True Mother. Reflecting upon the Grace of having Met True Mother through the Cheon Shim Won, I Wish to Encounter an even Deeper Experience of Cheon Shim Won and Tears Streamed down with the preciousness of this Era in which we Stand, Attending True Parents. I Return all Glory to Heavenly Parent and True Parents Who Permitted the Grace of this Ansu, which has Grown even more Powerful.

Korean Member IJUJA: Going beyond the Chanyang alone, while Offering the Chanyang with everyone Gathered Together Yearning for our children and True Mother, I Came to Know the Deep Grace of Praying for others. And through Cheon Shim Won, I Came to Realize the society of 2nd and 3rd generations miraculously Coming Alive with the True Power of Prayer.

Feeling God's Meticulous Providence to Resurrect Families, I Resolved to Live Praying for each and every individual Going Forward

MIHOKO BUTTON: While Offering Resonance Prayer, I had an Experience throughout my entire body that True Father and True Mother Were Right Beside me with Benevolent and Gentle Countenances, Listening Wholly to our Prayers.

Moreover, through the Warm and Devoted Touch of Tomoko san, who administered Ansu, I Experienced an Intense Spiritual Healing as thought dark spirits were Departing. Taking the Passing of my physical mother last month as a Turning Point, I came to Feel the SW even more Closely and Made a deep Resolution to Engage even more Actively in the Liberation and Blessing from now on.

KAZUKO ISHIYAMA of Seattle: The Resonance Prayer Offered Together with Earnest Hearts by all brothers and sisters, became an indescribably Great Source of Strength. And Recalling True Mother Who is Walking a Path of Suffering Alone in the DC, it became a Time to Sincerely Repent and Wash Away faults in our Apologetic Hearts with Tears.

In the Liberation Ceremony that Followed, as soon as the Chanyang Session Began, a Wondrous Sensation Brushed Past my left ear, and a singing voice not my own of Holy Song #6 'Grace of the Holy Garden' could be Heard. I Intuitively Knew that the voice belonged to Mika san, an acquaintance of my husband, who Passed from cancer last October, and whom I had never met in person. Throughout the Chanyang, a Warm Heart Conveying, 'Thank you'.

The Joy of the Liberation was Transmitted Completely. So, my Tears did not stop throughout the Entire Liberation Ceremony.

PASTOR DAVID TAO: (Who has been building up a Tower of Devotion by Attending morning and evening Devotion at Cheon Shim Won HQ without fail) 'Cheon Shim Won is the Holy Place where one Deeply Feels the Sorrowful Going beyond the Place that merely Seeks Pentecostal-style Experiences or Miracles, it is the Place where the Blessing Bestowed by True Mother, one can Experience Deep, Heartistic Exchange and Grace, Living Together with Heavenly Parent and True Parents 24 hours a day.

(It was Conveyed that Pastor Tao had numerous Moving Experiences, Weeping at Cheon Shim Won and deeply Experiencing Heavenly Parent's and True Parents's Heart. Moving beyond formal prayer, when Investing with the Heart of a 12-year-old child, Facing the Conviction that Heavenly Parent Absolutely Trusts and Loves him, he Enjoyed the Grace of Attaining a Genuine Encounter and Answer from Heavenly Parent, as well as Profound Changes in daily life, and he since wrote an Earnest Reflection

spanning 8 pages.)

True Father Who Tore Down the Boundary between Heaven and earth, and True Mother Who Created Cheon Shim Won, so that we might Tangibly Experience the Unseen Reality of the True Love of True Parents Unprecedented in 6,000 years of Biblical history, is Revealing Itself Today as a Vivid Reality within the Blessed Families of Cheon Il Guk.

No matter how treacherous the world may be, with an unchanging True Love, Attending True Mother on earth, and together with True Father in the SW, we Firmly Believe that the Kingdom of Heaven (the Heavenly King Mother and King Father Realm) will inevitably be Realized upon this earth. TY

BREAK and BUSKING

CHEONSHIM WEEKLY - CHUNSAN SU MC

(bow and greeting)

In this Precious Day that will be Recorded in the Providence, I am Grateful that I can Share these Stories.

Through porcelain art, which she encountered by chance, she discovered her talent.

Hoon Dok Hae: a single needle is a child that can become one with the Only Begotten Daughter, True Mother

The OBD is the Sole Daughter Connected by Blood Line to Heavenly Parent. Having Received Heaven's Mission from the Moment of Her Birth, the OBD has Been the Central Axis of the Providence. She Grew Up Conversing Directly in Question and Answer with Heavenly Parent, and Lives by Sensing and Understanding on Her own.

By Her Own Will, Judging and Resolving by Herself, She has Held the Marriage Supper of the Lamb with the Returning Messiah, and Stepped Forward into the Position of True Parents. Through the Marriage Blessing, Holy Wedding, True Parents Give the Married Blessing to children to be children of the Heavenly Parent.

From the Holy Wedding of 1960 until FD, True Parents Shared Joys and Sorrows Together for 53 Years, Advancing the Providence of the Witnessing Era in Unity. According to the Will of Heavenly Parent, True Mother Alone Opened the Era of Cheon Il Guk upon the earth. And through a 7-Year Course, Established the Standard of having Restored 7 Nations, 7 Religious Denominations and Continents, Proclaiming the Firm Settlement of Cheon Il Guk.

She Brought forth CheonBo Families and Registered them in CheonBo Won. In order to Establish/Dwell Heavenly Parent upon the earth, She Dedicated the Cheonil Sanctum. One by one, She is Concretely Creating and Demonstrating the Lifestyle of the Kingdom of Heaven on earth (the King Mother and King Father Heaven Realm) as in Heaven, Attendance of Heavenly Parent.

When True Mother Opened the Gates of Cheon Il Guk, when there was no on around Her, Her Heart was like Searching for a single, small needle in a desert struck by sandstorms. That single, small needle is a child who can become One with the OBD, True Mother.

Now is the Time for those single, small needles to emerge here and there like bamboo shoots after spring rain. Aju.
