Deepening faith and responsibility through the Word and experience

Summer workshops for HARP students and Hyodong children were held from July 12 to August 3 at Manantial in Madrid, Spain.

HARP students explored identity, responsibility and resilience through teamwork and challenging activities, while for the younger children, the theme "The Way Home" provided an embracing setting.

HARP workshop participants building friendships through recreational activities Young people in Spain learning the values and responsibilities of a faith community
