

Effects of Porn

Cut out each box so that you have 18 slips. Mix them up and split them evenly among the participants. Each person will take turns reading one of their slips and identify which type of effect it identifies with.

Wastes time and money	Erodes self-respect
Promotes sexual insecurities	Makes people into playthings
Teaches degraded standards of manhood and womanhood	Corrupts your heart and mind with perverse images of other people that become difficult to erase
Promotes "shopping" mentality based on looks	Creates impossible expectations of attractiveness
Reduces spiritual beings into body parts	Higher risk of divorce
Weakened desire for spouse and reduced connection over time.	Spouse may feel betrayed and insecure
Dissatisfaction due to comparing mate's appearance and performance to artificial porn actors	Faulty and damaging ideas about sex, desire, and performance with partner
Finances organized crime	Drives human trafficking, especially on children
Breaks up marriage and families	Promotes widespread impersonal sex, exploitative relationships, and loneliness
