STRENGTHENING OUR FAMILIES ONE MARRIAGE AT A TIME

Family Federation for World
Peace & Unification

WHO WE ARE

The Family Federation for World Peace and Unification (FFWPU) USA is a worldwide network of families from around the world striving to establish peace and unity among all peoples, races, and religions as envisioned by Rev. and Mrs. Sun Myung Moon.

We believe that with God as our Heavenly Parent, we all share the same equal and divine value. As our parent, God longs for us to experience the full range of loving relationships in our lives.

Unificationism, the thought of Rev. and Mrs. Sun Myung Moon, expresses the essential ideals of all religions and philosophies, beginning with the individual conscience and family life. People of all faith traditions affirm the ideal of unity between mind and body, husband and wife, parents and children, and brothers and sisters.

OUR VISION

FFWPU members seek to embody the ideal of true love as taught in the Divine Principle, the core teachings of the Unification Movement.

FFWPU champions three ideals: Family, Peace, and Unification.

FFWPU's mission is "To guide America back to God through the teachings and Marriage Blessing of True Parents."

Unificationism follows the conscience that tells us to live for the sake of others, to put the public before the private. When people of all religions live this way, the world will find peace in God.

THE MARRIAGE BLESSING

The Marriage Blessing is the marriage tradition of the Unification faith and has been attended by millions around the world. It transcends boundaries and religious affiliations, and creates a shared experience as one family under God. Since the first Marriage Blessing Ceremony in 1960 it has expanded to become an interreligious affirmation of the universal importance of marriage and family, more fundamental even than our various faith traditions.

Whether you are a married couple seeking to infuse new life into your relationship, or you are single and looking for a more promising approach to marriage, visit blessingamerica.org to learn more about how the marriage blessing is an opportunity for you to experience love as God intended.

REV. & MRS. SUN MYUNG MOON

Sun Myung Moon was born in rural North Korea in 1920. As a teenager, he had an intense spiritual encounter with Jesus.

Through earnest prayer and dedicated study, Rev. Moon uncovered the mystery of God's providence, the reason for human suffering and new insights into history that would eventually make up the core teachings of the Unification Movement.

While persevering to create a national movement, Sun Myung Moon found Hak Ja Han, who would help him to spread his

message of peace to the entire world. Their marriage in 1960 marked the first time in history that a couple would stand as a unified image of God, the True Parents. Together, they soon spread the blessing of marriage to others, establishing what would become the Unification Movement's most publicized and well-known tradition.

Rev. Sun Myung Moon ascended to the spirit realm on September 3, 2012. Dr. Hak Ja Han Moon continues to work tirelessly to preserve his legacy and complete the work they began together.
