1/26/22

America in 2022

by Laurence Baer

What are the internal, providential causes of the world wars?

The world wars have occurred:

First, as a result of Satan's last desperate struggle to preserve his sovereignty;

Second, in order to fulfill the worldwide indemnity conditions to restore the three great blessings defectively realized by Satan in advance;

Third, in order that all humanity may overcome on the world level the three temptations by which Satan tempted Jesus;

Fourth, in order to fulfill the worldwide indemnity condition to restore God's sovereignty.

Satan's 3rd Temptation

Matthew 4:8-11

⁸ Again, the devil took him to a very high mountain and showed him all the kingdoms of the world and their splendor. ⁹ "All this I will give you," he said, "if you will bow down and worship me." ¹⁰ Jesus said to him, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.'^[e]" ¹¹ Then the devil left him, and angels came and attended him.

The Last Days:

2 Peter 3:10-13

¹⁰ But the day of the Lord will come like a thief. The heavens will disappear with a roar; the elements will be destroyed by fire, and the earth and everything done in it will be laid bare.^[a] ¹¹ Since everything will be destroyed in this way, what kind of people ought you to be? You ought to live holy and godly lives ¹² as you look forward to the day of God and speed its coming.^[b] That day will bring about the destruction of the heavens by fire, and the elements will melt in the heat. ¹³ But in keeping with his promise we are looking forward to a new heaven and a new earth, where righteousness dwells.

What is America's mission?

Israelites: Maintain your purity and don't intermarry with Canaanites

Unlike Israel, our mission was to embrace the entire world, all the peoples of the world, and to digest all of their histories and struggles, and sins.

To raise them up to connect with God and to prepare them to receive and embrace True Parents overcoming the challenges that Israel was unable to overcome 2000 years ago.

In order to succeed in that mission, we needed to embody not just God's masculine heart, but importantly God's feminine heart as well. I believe that God's original plan focused on integrating both of those hearts in America.

The Puritan Pilgrims represented the distillation 1600 years of Jesus's JeongSeong and were the seed of God's masculine nature for God's Christian nation.

There were 102 members of the party on Mayflower. 51 (exactly ½) died first winter.

Similarly, a sperm has only 23 Chromosomes instead of the normal 46 found in other human cells.

What about God's feminine nature?

I believe that God intended for the Native American culture to infuse America with God's feminine heart. Their culture was deeply connected in heart to the Earth, and had a deep spiritual connection to God. Interestingly they share significant genetic ancestry with Koreans. There are theories that Native Americans migrated to America as early as 35,000 years ago, but certainly they arrived at least 13,000 years ago.

I believe that if the Pilgrims and Native Americans had successfully **built a culture on the bonds of heart reflected in the first Thanksgiving**, and if they had **broadly intermarried based on the example of the marriage of John Smith and Pocahontas**, then the culture God had intended could have developed in America, reflecting a stronger balance of God's masculine and feminine hearts. It would have been a Christian nation which could have been much more prepared to welcome the True Parents emerging from the Korean culture.

God made a covenant with America that first year, to establish a Christian nation representing the whole world, based on the faith, motivation, and sacrifices of the Puritian Pilgrims.

However, from the very moment of that covenant, satan has been trying desperately to destroy America.

The next waves of settlers from Europe did not share the Pilgrim's pure motivation and faith. They were increasingly materialistic, and power hungry.

They committed atrocities against the Native Americans and then again with African slaves as well.

For the past 400 years in America, God has repeatedly sent prophets to bring spiritual revival to America, while all the while satan has been trying to destroy the foundations of America.

America fulfilled our responsibilities leading the world overcoming satan's first 2 global temptations in World War 1 and World War 2.

Right after World War 2 we should have received and embraced True Parents, but satan invaded, and Jesus's foundation of 2000 years was lost.

Father had to go to the bottom of hell to personally recover the foundation of Jesus's public mission by restoring 12 disciples in HeungNam Prison, enduring spiritual and physical torture and investing his utmost heart for 32 months, without mentioning a word of the Principle.

True Parents established the Blessing in 1960 and in 1965 came to America to establish the Holy Grounds.

In 1971 True Parents launched 40 years of efforts to revive America. The deep state attacked Father and sent him to Danbury, which was where he launched the Washington Times, and the Religious Freedom Movement here in America.

Still satan has been relentlessly working to destroy this nation. President Trump and his top lieutenants have stood up to support True Mother through ThinkTank 2022. However, in 2020, America was so polarized, 50/50, that if Trump had been re-elected, it would have been virtually impossible for God to unify this country.

Our brother Ron Pappalardo shared two remarkable messages from God in 2020, based on his and his wife Connie's journaling dialogues with Heavenly Parent: Revelation received by Connie Pappalardo September 27, 2020

Dear God,

I am really not in the mood to do this, but as you know, I have little choice. Allow me to put aside my issues and allow you to speak. I am sure you have much to share with Ron and I and possibly the Zoom group on Wednesday. Thanks. I love you. Con

God speaks: My dear! My dear! My dear! Since I know you want to skirt personal issues today, I will speak of the nation. What happened in Washington and is still happening in Washington has made me very happy. Christianity will save the nation after all. Many years ago, your church preached about the failure of Christianity, and maybe there was some truth there, but there is a new breed of Christian, stronger and more agile. This new Christianity has tremendous power. Don't worry about the theology. Under the tent of Christian values, many can feel safe and included ethnically, like Muslims and other more conservative cultures. Whether God or Allah, the values are similar and in that, there can be unity.

You have been actively praying for the country, COVID-19, and our divided nation politically. Over 100,000 people came to DC to pray the same! How wonderful is that?

I am excited. You have no reason to doubt.

Keep your eyes, ears, and heart on me and you will see a new country in but a decade!

Your children will, eventually, grow to appreciate all that the Holy Spirit is bringing to this country. Now, don't be sad. I love you. Heavenly Mother

Revelation received by Ron Pappalardo October 26, 2020, Lynchburg, VA

Please don't be disappointed if the candidate you choose is not elected. As I told you through Connie in the last session, I will work with whoever is elected. The future of a nation is determined by the content of the heart of all its people. Although you may not see it this way, the content of the heart of the vast majority of Americans is kinder and more compassionate than it has been in the past. That is the reason why you saw so much genuine revulsion at the death of George Floyd. This revulsion was felt by people on both sides of the political spectrum.

Yes, you have extremists on both sides, left and right, but they are tiny fringes on the edges.

So what does that mean for you as individuals? What can you do to help?

You can love! You can forgive! You can embrace those on the other side of your political preference. You are, we all are, Americans. We are one family. You are all brothers and sisters, with me as your parent. Your beautiful national motto – “In God We Trust” – is a powerful beacon to guide you forward. Embrace it! Live by it! Please remember to pray before you vote, and as I said before, please vote in love. Remember that I love all the candidates because they are all my sons and daughters. Please try to see them all with my eyes and my heart. Again, please live by the motto “In God We Trust,” and all will be well, all will be well, and all manner of things shall be will.

By allowing Biden to become President, I personally believe God opened the door for America to experience what it would be like for a totalitarian government to take over this nation.

We have enjoyed God's protection and blessings for 400 years, but we have been seduced by satan's 3rd temptation, and we have abandoned God and worshipped at the alters of wealth and power and fame, and a fornication culture of free sex, a hedonistic culture of drugs and intoxication, a culture of mass abortions, a culture profaning God's most holy ideal of 1 man and 1 woman creating a holy family.

This has been a powerful wake up call to America, setting the stage for both a spiritual revival and a political revival.

Politically, there has been a dramatic shift to the right and a rejection of the radical agenda. That should be reflected in a seismic sea change in the midterm elections.

Spiritually, there needs to be a parallel transformative change.

I believe that is the core mission of Morning Devotion. Dr. Yong is True Mother's most trusted and successful missionary in the world. Today was his 458th consecutive Morning Devotion and all who are participating are experiencing remarkable deepening in their relationships with God and True Parents.

We CheonBo Couples and Blessed Couples, together with new, unblessed members, are the ones responsible for inheriting God's heart and True Parents' heart and Jesus's heart and the Holy Spirit. We are the ones responsible to embody God's fire, and to unite and reignite Christianity and the other religions of the world.

Hence the prophetic name which Father proclaimed in 1954: The Holy Spirit Association for the Unification of World Christianity.

We are the ones responsible to embody parental hearts and show that we can forgive, love and unite rather than vilify and demonize our brothers and sisters.

If our movement can catch fire, then we can light that fire in America, and America can overcome Satan's third and final temptation on behalf of all mankind.

Once Jesus overcame satan's 3rd temptation, satan left him and never tried to tempt him again.

Now we, as Americans, representing the entire world, need to become the fire. We need to follow in Jesus's and True Parents' footsteps, and reject satan on the Global Level.

And as I mentioned earlier, with 2nd Peter Chapter 3:

That day will bring about the destruction of the heavens by fire, and the elements will melt in the heat. ¹³ But in keeping with his promise we are looking forward to a new heaven and a new earth, where righteousness dwells.

Thank you.

Before I finish I would like to post in the chat some of the prayer points I have developed since I started attending Morning Devotion some 450 days ago. These have helped me deepen my personal relationship with God. Since I began, I have not missed one day of Morning Devotion, and I have promised God that I will not miss a single day for the entire 7 years promised by Dr. Yong.

Some of the points I cover in my prayers each morning – L Baer

Heung Jin Nim's Prayer

I will teach you how to love as deeply as you can; this is a miracle that I want to teach you. I am not mobilizing the spirit world I order to give you money, but I am mobilizing good saint, good pastors, good monarchs, good wise men, good prophets and good teacher in order to teach you how to love. Don't call my name with my picture saying, "Heung Jin Nim! Give me money." Don't beg me in tears saying, "Please help me make money." Don't pray like that, but pray in this way.

Heavenly Parent, I don't know how to love. I don't know what true love is. However, True Parents are my parents. And I want to inherit a heart of love from my True Parents who live for the sake of the world, for the sake of the spirit world, for the sake of the entire created world.

Please teach me how to love. Heavenly Parent, teach me the meaning of true love towards human beings. Just as You love humankind, please enable me to feel Your love towards humankind.

Please save humankind by using my hands, my mind, and my body. Please grant that a victory through the deaths of true children as well as a victory over hell will be mine.

Please allow me to inherit True Parents' love:

- towards God,
- towards Jesus,
- towards Korea,
- towards Japan,
- towards America and the world.

Please teach me about the heart of True Parents.

Please help me realize what my 5% portion of responsibility is.

Please guide me to understand what history of restoration means.

Please lead me to understand the meaning of indemnity.

In order to love and save humankind, in order to destroy the enemy Satan, and in order to kick out all the power of evil from my mind and thoughts as well as from this world, please give me the love that I need. I pray all these things in the names of True Parents.

Please pray in this way. If you cannot remember everything I said, repeat this prayer until you can do it. Don't worry about the details, but just feel this heart and spirit. Thank you for receiving this message with a pure and humble mind. This is a message of love.

David R. Hawkins' Prayer (modified from God to Heavenly Parent)

ALMIGHTY EVER-LIVING HEAVENLY PARENT, I ASK TO BE YOUR TRUE SON, DEAR FATHER, DEAR MOTHER, AND TO BE A VEHICLE OF DIVINE LOVE, A CHANNEL OF YOUR WILL. I ASK FOR DIRECTION AND DIVINE ASSISTANCE, AND I SURRENDER ALL PERSONAL WILL THROUGH DEVOTION TO YOUR TRUTH AND LOVE. I DEDICATE MY LIFE TO YOUR SERVICE. HELP ME TO CHOOSE LOVE AND PEACE ABOVE ALL OTHER OPTIONS, AND TO SURRENDER ALL MY JUDGEMENTS TO YOU, THAT I MIGHT HAVE UNCONDITIONAL LOVE AND COMPASSION FOR ALL LIFE IN ALL OF ITS EXPRESSIONS AND SURRENDER MY VERY LIFE TO YOU AT ALL TIMES AND IN ALL PLACES.

GLORY TO GOD IN THE HIGHEST, NOW AND FOREVER.
