Thank you for helping Greg and Rachel to finish ancestor liberations/blessings they started while on earth, but which they cannot complete now that they are both in spirit world.

Greg and Rachel started liberations for both their father and mother's lines through 112 generations, but did not complete back payments for generations 1-28. This means that none of their ancestors have been blessed.

The back payments for Greg and Rachel's generations 1-7 total \$2,040. Blessing the 1-7 would be \$1,400. Blessing 8-112 would be \$2,150. If all of us can contribute something, we could probably complete everything.

Thank you so much for whatever amount you are able to contribute! Everything helps.
