## Weekly Greeting

Dear Brothers and Sisters,

Greetings! I pray you are doing well.

The big news this week is that Rev Young Hwi Kim is coming to speak on behalf of True Mother, at the New Yorker Hotel Grand Ballroom on Saturday, at 10 am. The doors will be open from 9 am. If you saw the “IMPORTANT ANNOUNCEMENT” I sent out, you will know that registration has been closed. Please read the announcement – and come early to ensure that you get a seat.

The other big news is that the National Charter for local churches and District Councils has been approved. I am grateful to Dr Balcomb, his staff, and the National Council for their work on this project. I believe this will give greater stability to our movement, it will encourage participation in our communities, it will provide oversight (in case someone starts going off track), and it will help with the expansion and growth of our movement. I am asking each local church to present the Charter to its members – so you should be getting a copy soon.

Early Tuesday morning I drove 6 members of the clergy to Philadelphia to catch a plane to Las Vegas where the ACLC Convocation is taking place. Let’s pray for their rebirth in the love and truth of our True Parents and Heavenly Parent! (Especially Archbishop Moses de la Rosa and Rev Dorcelly who came from WestRock)

Finally – I hope to see you on Saturday at the New Yorker for Rev Kim’s speech and on Sunday (3:30 pm) at the Jewish Community Center where we will be holding our Intercultural Pot Luck program. Please bring a food dish and something (a piece of clothing if possible) from your cultural background.

Let’s keep making this a great month!  
God Bless You

Light Thought for the Day:

## ***Turbulence***

**Flying through the Midwest in the summer means one thing: turbulence.**

**I was working as a flight attendant on one particular flight when we hit a patch of very rough air just after a young teen on his first flight, had entered the bathroom. After the bumps had subsided, he exited the bathroom, a look of sheer terror etched on his face.**

**"Are you all right?" I asked. "Don't worry, that turbulence was as bad as it gets."**

**"So that's what it was," he said. "I thought I'd pushed the wrong button."**

## **Testimonies/reports**

**I'm looking for volunteers**, 20+ people and 4 animals to participate in free energy healing sessions. This is for my certification in the Emotion Code system. You can find a lot info by following links: Healers Library and Dr. Bradley Nelson. The sessions can be done in person and also distant. All I needed is description of the issue and grade it on a scale from 1 to 10. Feel free to send me email for any question you may have. Thank you for consideration.

Prayer

Grace Elliot: she is in a nursing home. Her condition has been growing worse. She is at a point where they have done all they can do medically for her. Now she needs our loving prayers to give her spiritual support and protection.

Laura Nabetani: she is fighting a pneumonia infection that is resistant to drugs and is now in the White Plains hospital.

Angel Shimazaki: a heavy ladder fell on her at the school where she works. It damaged her neck and she is experiencing numbness in her arms and face. They want to do surgery, but she is not sure if that is what is best and is hoping to be healed with the help of physical therapy. Also she cannot go to work now - so I am sure she would love to get a phone call or a visit.

Please also continue to pray for Jiau-Lan Weinstein. She continues to fight cancer.
