

HPHC Las Vegas: A Divine Principle lecture contest with Andrew Compton

Brianna Chaves
October 7, 2022

After 8 weeks of studying and practicing Divine Principle lectures, our students had a lecture competition to share their skills with a live audience! Brianna and Noriega won the competition and received a Subway gift card.

There's been a lot of interest in hosting another lecture training seminar so we hope to do it again soon. We would like to give Dr. Compton a special thank you for sharing his wealth of knowledge and support!
