HJ International Graduate School for Peace and Public Leadership is pleased to co-host a special program with the Higher Purpose Forum (HPF). **We invite you to register for "The Quest for Justice" to be held on Tuesday, February 13 at 7PM**

"Justice" is a term not always well understood or agreed upon. Concepts such as "economic justice" or "social justice" remain highly complex and topics of robust disagreement. In this program, we will discuss the concept of justice, seeking to achieve some clarity about the complexity of the concept and its application to economic, political, and social contexts.

HPF Director **James Edgerly** will be the offer an introduction to this engaging topic, followed by HJI President **Dr. Thomas Walsh** who will speak on the topic, "The Quest for Justice." **Alan Jessen**, North American Coordinator for the International Association for Peace & Economic Development, will be the Moderator. The program will conclude with a Q&A with the audience.

We look forward to seeing you at this event!
