Dear brothers and sisters,

There will be a special memorial service held at Belvedere on Saturday, November 30th at 6 pm for our beloved elder sister, Mrs. Gil Ja Sa Eu, who ascended to the spiritual world on August 20, 2019 in Korea.

Mrs. Gil Ja Sa Eu is one of our most elder members and is of the 36 Couples' Blessing. She is also one of the champions of the Divine Principle education. In recent years, she has toured the United States multiple times, giving her testimony and encouraging our families in their life of faith and attending True Parents. We were blessed to welcome her most recently in 2018, and will forever remember the love she had for America and our American families.

Let us show our utmost love and support for our respected elder sister by participating in this special service.

Thank you.

Sincerely,
Dr. Kone
