

New Hope HJ Pilgrimage 2023

HOSTED BY CARP KOREA, JAPAN & AMERICA
CARP HYOJEONG TRIP 2018 JUNE 26 TO JULY 11
United We Stand

This summer, CARP USA is hosting an incredible opportunity to journey to Korea and experience the footsteps of CARP's founders, Rev. Sun Myung Moon and Dr. Hak Ja Han Moon, our True Parents. We will visit historic locations in True Parents' history and ministry in order to connect to their heart for God and humanity. This can be your chance to find New Hope in your own life and for the world!

Is This for Me?

This workshop is for any [CARP Member](#) who has studied the entire contents of the Divine Principle and wants to know more. If you want to learn more about Rev. and Mrs. Moon's calling from God and what that means for your life, and if you are interested in your own spiritual growth, then this pilgrimage is for you!

Program

We are working on a more detailed schedule (check back here soon), but here are some of the places we hope to visit, and things we want to do:

- Visit the Cheong Pa Dong original headquarters church
- Visit the Hannamdong residence of True Parents
- Visit the DMZ and Imjin River
- Visit the Korean War Museum
- Visit the site in Busan where True Father began his ministry
- Visit the HJ Cheonwon complex, including the Cheong Jeong Gung and Cheon Won Gung

And more!!
