Dear Leaders,

Please see below a message from Jinil Fleischman, who is heading the team organizing the youth experience with True Mother this weekend, and please forward it to all the youth and young people in your community.

Thank you,

Hello,

[PLEASE WATCH THIS VIDEO](#)

True Mother is coming. And she's coming to meet us, the American youth. How are we showing up? I don't know about you, but I want to be ready to respond with my whole heart to support True Mother with whatever she needs. Even to anticipate her needs before she asks.

We know that our movement is facing serious financial challenges around the world, especially in Japan and America, and True Mother is shouldering that burden. We want to comfort her with our filial heart without being asked. Therefore, we are initiating the "Hyojeong Love Offering" from the youth. We will collect cash donations to offer to True Mother, representing our filial love for True Parents and Heavenly Parent.

Our biggest priority is participation: we want as many of our youth to give something as possible. Whether you can give a lot or a little, whether you are going to Vegas in person or not, please consider offering something! Please bring cash and checks made out to "CASH" to Las Vegas, or give it to someone who is going. If you'd like to give electronically, you can send cash gifts to Jinil Fleischman or Yasutaka Ozawa in the following ways (Zelle is most preferred):

Zelle: jinil.fleischman@gmail.com or yozwa95@gmail.com

Venmo: @ jinil-fleischman or @ yasutaka-ozawa

Cashapp: \$JinilFleischman or \$YasutakaOzawa

PayPal: @ jinilfleischman1

Please write "Hyojeong Love Offering" in the description. Let's offer our sincere heart to our True Mother!! See you in Las Vegas.
