March 6, 2020

A quick report of the Spanish Divine Principle lecture on Friday March 6, 2020.

Lecture: Principle of Creation - "El Principio de la Creación" (Spanish)

Lecture was simultaneously translated into English from Spanish for our English speaking quests.

The highlight of the lecture that night was that Julio y Raquel brought again their spiritual son, Mr. Juan Evelio Romero, he received the Holy Wine himself and in His Wife Isabel Romero who is in the Spiritual World.

A second highlight that Friday was Julio Montelogo's testimony, when we all heard he was interned at Summerlin Hospital, his Wife Raquel notified us, then we told everyone on the Spanish group, as asked to pray for Julio, from his own testimony, he came out of all tests with Flying colors. This was two Fridays ago, On the following Friday, Julio and Raquel came and requested a prayer for Mr. Samuel Castro, brother of Mrs. Victoria Loya, in Mexico. Mr. Castro suffers from a severe case of diabetes and his hip was totally shot, he could not walk, we all made a circle in front of True Parents photo at the Sanctuary and prayed for him.

Here's the message from Mrs. Loya his sister, a message sent to Julio and Raquel:

"Good morning, today we're going home, the surgery was perfect, all is good, thank you for everything, we'll see you on the 12th Ok"

May you and your beautiful family have a Blessed week.
