Author of various books among which:

"True Love and Forbidden Love" – a research of the causes of evil and suffering; its origin and solutions. Published in 1992, translated into 7 languages and 2 editions

Editor of the text book: "Presentations about Character Education and Family Values.

Around 30 people attended the webinar

There were also numerous positive responses to the presentation..

We are really appreciative of this opportunity to go more deeply into the concept of common good.
