

Cheon Won Gung

For God So Loved the World

True Father

The land in Cheongpyeong was bought as a foundation for our work for the sake of the world.

True Father

Our land in Cheongpyeong must become the worldwide homeland, the hometown of heart for all people. I prayed that it would become a land that could connect heaven and earth, completing the victorious ideal of creation, and be revered by the cosmos, liberating the heart of God....

True Father

...We now have reached a point in time when the work to bring this about can begin in earnest.

This is why we bought more than 6,500 acres of land in this area. The mountain and the land around it form the grounds for our future hometown.

True Mother

There should be a building.

Cheon Jeong Gung was not enough.

The Cheon Il Temple for Heavenly Parent
had to be built.

True Mother

During this same beautiful [spring] season in 2023, Cheon Won Gung and especially the Cheon Il Sanctum—the holy temple where we can attend Heavenly Parent—will be dedicated. Every citizen of the world without exception must know about Heavenly Parent and True Parents.

True Mother

All of you have the responsibility to consecrate the Cheon Il Sanctum in 2023 and create the environment in which Heavenly Parent can govern on earth.

True Mother

The Cheonji Sunhak Won should be made as an ultra-modern, multipurpose cultural space. We should make it so that whoever comes in would want to sign membership by the time they depart.
