

Colorado Family Church: Prayers and Support for Ukraine and our Church There

Michael and Adonia Hentrich
February 24, 2022

Dear family,

As many of you are probably aware, Ukraine and the people of Ukraine are in a very difficult situation right now. Over the past several years, we have had the privilege to host many Ukrainian church members here in Colorado and even hosted a delegation a couple years ago. We consider the movement in Ukraine to be somewhat of a sister movement to ours.

Many of those same families have now been forced to flee their homes. Some have made it out of the country, some are trapped near the border, some are hunkered down in their homes as they shelter from the gunfire and bombs around them. On a personal note, many of you know our brother Sergii. He is here in America now, but his pregnant wife and 2 year old child are stuck in Kiev. He is very concerned for their well-being.

We are currently looking seriously at how we can help our Ukrainian brothers and sisters. One possibility is bringing some families here to Colorado and housing them with our families and rental units. We are aware that there is already an [online fundraiser](#) that has been started by one of our members close to the situation. Please consider donating to provide much-needed supplies for the fleeing families. Today, we are also beginning a 21-day prayer condition for the people of Ukraine. These are the prayer points:

Pray for peace to be restored in Ukraine.

Pray for the families that are trapped and fleeing to be safe and cared for

Pray for our church families to be safe and reunited with one another.

Sincerely,

Pastors Mike and Adonia

Support Our Ukrainian Family

Campaign Created by: Claude Aubert

The funds from this campaign will be received by Claude Aubert.

Our Ukrainian brothers and sisters need our support! Because of the threat of war in Ukraine, young members and a majority of blessed families living in Kyiv (capital of Ukraine) left the city in mid-February to find refuge in safer locations. Some are in Poland; some are close to the Polish border, as in a village near Lviv.

Our brothers and sisters need our help. They departed Kyiv in a hurry, taking almost nothing with them. Now they face the humblest living conditions. It is unclear when and whether they can return to Kyiv.

As a former missionary to Ukraine (1991-1993), I have stayed in touch with many Ukrainian brothers and sisters. I have received a request for help from one leader whom I know well from my missionary time and trust completely. She is a wonderful Russian sister, her husband is Ukrainian, and together they have three children. Her fervent desire is to take care of all Ukrainian brothers and sisters.

Please consider donating if you can. Thank you for your generosity!
