Dear family,

We are excited to announce the next Marriage Course! The Marriage Course is a great way to enhance any relationship, whether you are just getting started, doing proactive maintenance, or in need of a boost. We will start on Thursday, September 15 and will have a session every Thursday until October 27. We will start promptly at 6:30pm and finish at approximately 9pm. The first half hour will be a time for dining as a couple and eating a delicious, restaurant-quality meal. The rest of the session goes back and forth between watching specially prepared videos and discussing privately as a couple. You will not be asked to share private details about your married life. **SPACE IS LIMITED!** Please check out the videos above if you would like to learn more. Gelo and Kazuyo Fleisher will be running the course.

Topics in the Marriage Course include:

- Understand each other's needs
- Communicate more effectively
- Grow closer by learning methods to resolve conflict
- Recover from the ways you may have hurt each other
- Recognise how your upbringing affects your relationship
- Improve relationships with parents and in-laws
- Develop greater sexual intimacy
- Discover each other's "love language" and much, much more....

Please remember that attending this course has nothing to do with your marriage being in trouble, and you will not be labeled as such if you attend. This is for couples to take their relationship to a new level, regardless of where they are at.

If you are not planning to participate and would like to help support this important ministry, there are ways to help out as well, such as helping with the meals, offering childcare, and helping with cleaning. Please let us know if you would like to help in some way.
