A Blessing took place at Finspång in Sweden, on the 4th of May.

Seven Swedish - Thai couples were blessed and many single guests joined the event.

This is the third Blessing event with Swedish - Thai couples.

We worked together with our ambassador for peace, Chanya Mellgren, a Thai lady from Örnsköldsvik. She was the Thai MC for the blessing,

The event took place in a Thai restaurant that we rented for a day. A monk from a temple in Norrköping also participated in the blessing and gave his support.

Jan-Peter Östberg gave a separate education for the Swedish husbands while their Thai wives are watching at video lecture in Thai.

25 members from Malmö, Stockholm, Uppsala and Katrineholm came to participate and help with the blessing. We had lunch together with the participants and we also had entertainment.
