Dear Cranes Club member,

We are happy to announce that The Cranes Club Europe Networking & Career Support Event last month was a success, thank you to everyone who participated!

Given the response from you all, we are delighted to announce that we will be holding another event on the 31st of March from 8:30-10 pm (CET). It is free to

attend.

This session will follow a broadly similar format. All attendees will have the opportunity to introduce themselves and share about their business or career. This will be followed by a discussion of our recent successes and what has worked well. Finally, we will dive into the main event where we will share the issues we face in our career or in running a business and have an opportunity to share ideas, feedback & gain insight into how to resolve key issues.

However if possible we would like to split into groups based on career or interest, as such we will be creating a Facebook group (link below) where we can vote for what breakout groups we would like to see in the next meetings. The group will also be used to share news, tips & insights as well as the Zoom links for meetings.

If you would like to attend please either email back or join the Facebook group.

Take care & stay healthy
