The Prophecies of the Last Days have been fulfilled in 1948! The prophecies are referring to the rebirth of the state of Israel as a sovereign state after the destruction of the temple and the dispersal of the Jews from their land by the Romans 2000 years ago. So, what did Jesus mean when he said "this generation" will not pass away until all things are done? The rebirth of Israel and the return of the Jews back to their homeland, in 1948 is in fact the fulfillment of the prophecy that ushered the Last Days and Second Coming of Christ. This means that the Lord of the Second Advent had already returned to the generation that witnessed the rebirth of Israel in 1948. In other words, the Lord of the Second Advent is no other than the Reverend Sun Myung Moon!

Oh, some might ask and say if your assumption is correct that Christ had already returned in 1948, why haven't we witnessed his return on the cloud like the scriptures told us? Well, my answer is this...Jesus is not coming with signs to be seen. Jesus said he is coming like a thief in the night. In other words, Jesus is not coming on the clouds as Christians expected. Jesus will be born in the flesh like he was born in his first coming. A perfect example of this is the second coming of Elijah Malachi 4:4,5,6 and Matt. 11:14. And if you are willing to accept it, he, John, is Elijah who is to come" (Matt. 11:14). The Jews of Jesus' days were like the Christians today, looking up to the sky to see Elijah coming on a chariot of fire. Yet Jesus said John is Elijah. John's denial of his being Elijah made Jesus look like a liar. This is the real reason why the Jews of Jesus' days, till present-day could not accept Jesus. John is the greater sinner!
