### How Can Interfaith Support Greater World Harmony?

World Interfaith Harmony Week

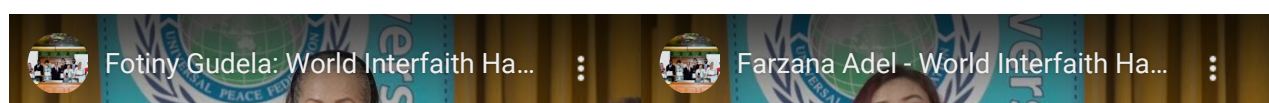

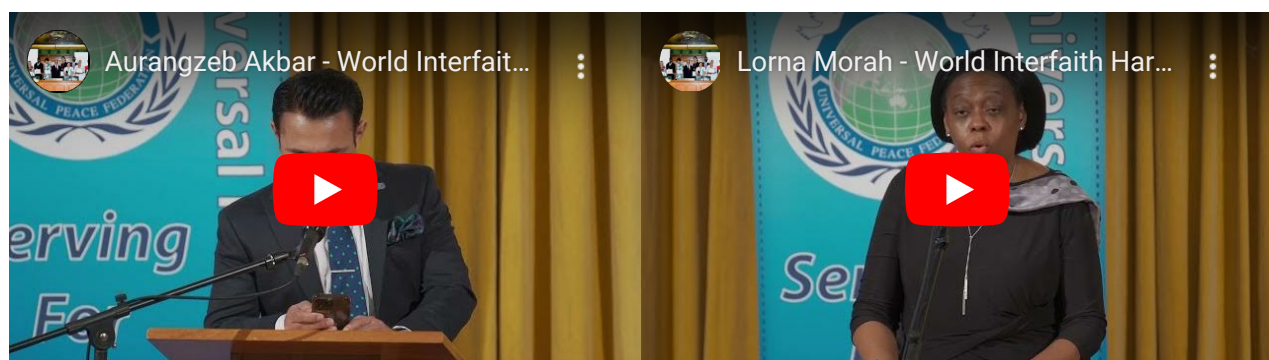

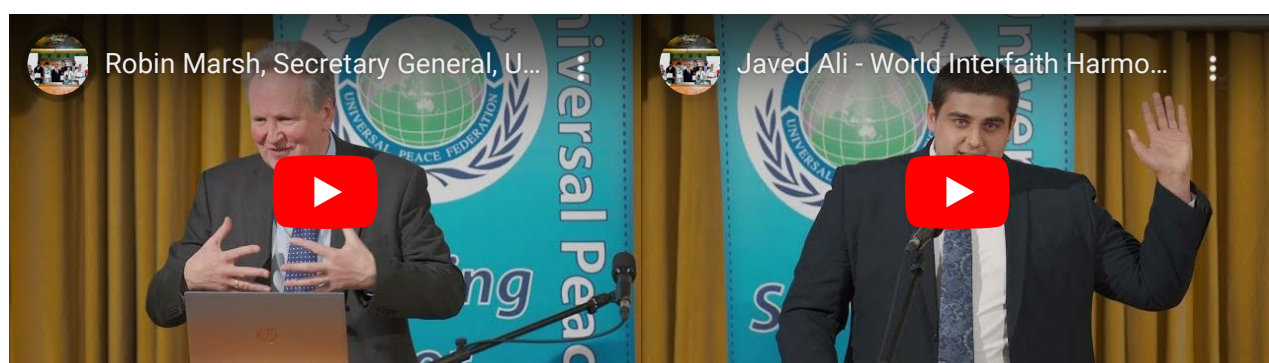

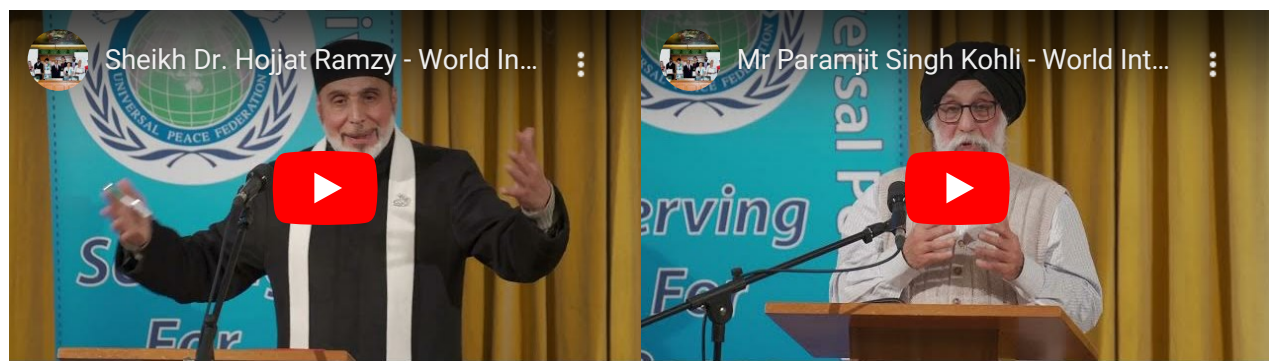

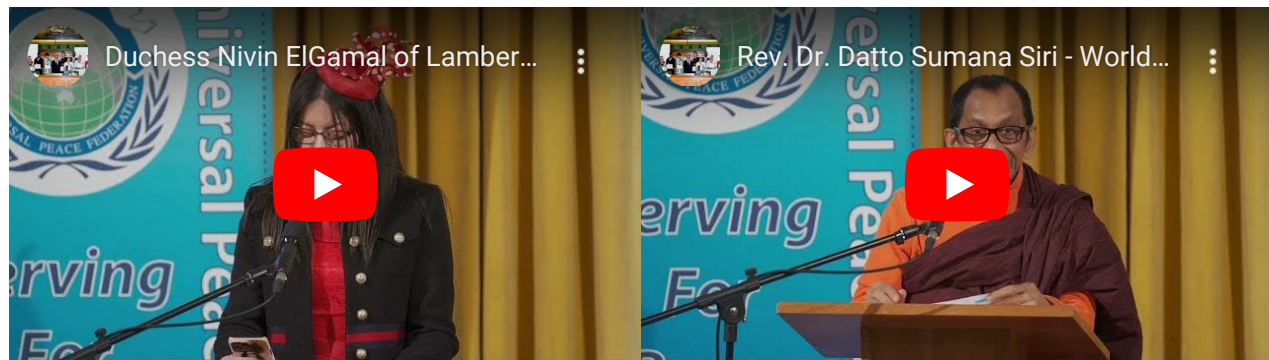

Universal Peace Federation UK

6 pm, 30 January, 2024

43 Lancaster Gate, London, W2 3NA

In the midst of a world facing increased fragmentation with over 30 conflicts, we contemplate the pivotal role interfaith dialogue can play in fostering greater global harmony. As a staunch supporter of World Interfaith Harmony Week, Universal Peace Federation UK is dedicated to contributing to this initiative annually. Many UPF Branches will be commemorating WIHW around the world.

There were contributions from:

It was an inspiring evening of expressing the positive ideals of humanity amid an increasingly fractured world.
