

General Sunday Service Invite God In My Heart, My Couple and My Family

Salons du Lys, Les Ulis, France, 5. January 2014

Our monthly Sunday service for all the Paris region church communities, and specifically for their guests, took place on the 5th of January.

The music group once again did a good job of creating a good atmosphere.

Then Alexandre Huard, UPF-Youth, who was a participant in the RYS project at the MEPI, gave a testimony about his experience there. He insisted on the rich interreligious atmosphere and the quality of the different speakers in the various events. This was a very good testimony as we want this monthly service to be interreligious.

The topic of this service was based on True Father quote from Peace Message n°2: "You should form families that God will miss and yearn to return to after He has been away. You should raise families to which He can come freely as a parent visiting His

children. This is what it means to live in service to God."

As first speaker we had Pastor Ben of the Church of the Door of Global North. He began speaking on the theme Invite God In My Heart, My Couple and My Family. Pastor Ben went to Korea for the 1st Anniversary of True Father's SeongHwa Ceremony and was very touched by his experience there. He spoke of how we of the Unification Church have the example of Reverend and Mrs Moon to help us know what a couple and a family should be.

When he finished Jean-François Moulinet continued, quoting from True Father's Peace message n°6 given

on the occasion of the Entrance Ceremony for Cheon Jeong Peace Palace, on June 13, 2006, on what we need to do with our lives. In particular he listed the 7 fundamental duties and mission that every citizen of Cheon Il Guk should understand and live by as they walk the way of Heaven.

The testimony on interreligious activities and the sermon by two different religious leaders made a strong impression on members.

The average evaluation by the participants was 80,29/100.
