

## UPF Sidon, Lebanon Hosts Study of UPF Co-Founder's Philosophy of Peace

Hermine Schellen  
October 22, 2022

Sidon, Lebanon - Religious leaders came together to study the words of UPF co-founder Rev. Dr. Sun Myung Moon expressed in Arabic calligraphy.

Sheikh Abou Zeid, a professor of comparative religion, law and contemporary Islamic thought, invited five Muslim leaders to a meeting on October 22, 2022, to read together from the book *Love and Peace in the Eyes of Rev. Moon*.

UPF-Lebanon President Thomas Schellen introduced the book, which has 90 quotes on the topic of peace by Reverend Moon. The quotes are illustrated by 90 Arabic calligraphies created by Qais Saidi, a UPF Ambassador for Peace, and the quotes also are translated into English, German, and Reverend Moon's native Korean.

All the participants at the meeting, which was held at the home of Sheikh Sohif Alhapli, liked Reverend Moon's words very much, saying that his message really resonated with them.

As the response was so enthusiastic, UPF-Lebanon is planning to continue having such meetings.

A volume with 90 quotes about true love and peace from Rev. Moon's autobiography illustrated through 90 Arabic calligraphies.

For many years, Ambassador for Peace Qais Saidi, studied the work, life and words of the Rev. Sun Myung Moon. Inspired by Rev. Moon's vision and action for world peace, he created over one hundred Arabic calligraphies, all dedicated to support the ideal of a unified human family, living in peace with itself. Each of the 90 calligraphies in this book illustrates a quote of Rev. Moon and each quote is written in Arabic, English, German and also Korean, Rev. Moon's native tongue. One can reflect on each of the pictures, as they reveal their beauty and wisdom brush-stroke by brush-stroke.

"Qais Saidi is a man of vision, a man who shares that vision through the visual arts, and in particular the art of Arabic calligraphy. Rev. Sun Myung Moon, who passed in 2012, was also a very talented calligrapher, and he often shared essential teachings and profound insights that were as beautiful as they were inspirational. "Love and Peace in the Eyes of Rev. Moon" offers a unique and valuable introduction to the philosophy of peace, and true love, that characterizes the thought of Rev. Sun Myung Moon."
