April 23, 2020

Dear,

Our thoughts and prayers are with you and your loved ones during this time. As we navigate this new reality, we invite you to join us for our next event as part of the Faculty Roundtable Series - right from the comfort of your home.

What is the Faculty Roundtable Series?

The Faculty Roundtable Series is dedicated to presenting current academic research conducted by UTS faculty, alumni, and students. Each event will feature a new speaker and topic and include an opportunity for questions and commentary.

Our next event, taking place on Tuesday, April 28 from 5-6 pm EST, will feature Dr. Theodore Shimmyo, Professor Emeritus of Theology. He will present on "Luther's Insights as a Forerunner of Unification Christology." Although we will miss seeing everyone in person, we are excited to host this event virtually!
