Dear friends,

I wanted to let you know about a new petition I created on We the People, a new feature on WhiteHouse.gov, and ask for your support. Will you add your name to mine? If this petition gets 99,999 signatures by May 24, 2016, the White House will review it and respond!

We the People allows anyone to create and sign petitions asking the Obama Administration to take action on a range of issues. If a petition gets enough support, the Obama Administration will issue an official response.

You can view and sign the petition here:

## **President Barack Obama Should Pardon Posthumously Reverend Sun Myung Moon before he leaves Office January 17, 2017!**

As a member of the Family Federation for World Peace and Unification, I believe the 1984 imprisonment of the founder of my faith, the Reverend Sun Myung Moon was politically motivated, discriminatory, and unfair.

I am petitioning for his conviction on willful tax evasion, and conspiracy be pardoned posthumously by President Barack Obama, and his widow Mrs. Hak Ja Han Moon receive the pardon.

Reverend Sun Myung Moon, his indictment, prosecution, conviction and imprisonment and subsequent release was a “near death sentence” for him, his ministry in America, and the millions of followers around the world, who witnessed the American Government, which prides it’s self on “being the champion of religious freedom” persecute a minority religion.

Please support this petition for this pardon.
