# CAMP AURORA

Camp is back!  
We are 26 years strong!

“ *Lake Winnepesaukee is waiting, the sun will be shining, and several Second Generations are stepping up to lead camp! Following Camp Aurora’s 26 year tradition, there will be Youth, Middle School, and High School camps offered. It will undoubtedly be a fun, inspiring, and an unforgettable experience for all. The camp staff believe strongly in the power of a Camp Aurora summer experience. We aim to transform young Unificationist’s lives and their perspective on the Unification movement. We hope that children will urge their parents to let them attend, and parents will urge your children to attend.* ”
