Dear Brothers and Sisters,

This is to inform you that David Roberts is stepping down as Heavenly Tribal Messiah coordinator for SR5. David stepped up earlier this year and helped so many CheonBo couples to be able to fulfill all the paperwork and get everything in order for the entrance ceremony in October. I know many of you were helped directly by him and we appreciate his work very much. David and his wife have moved to Idaho to take up the role of State Leaders there and re-pioneer that state for God and True Parents. Because of this responsibility David is stepping down from the HTM position.

Thank you David.

Now the new HTM coordinator for SR5 will be Mrs. SiewLian Le Roy who worked closely with David over the last number of months. SiewLian will work together with your local HTM coordinators as we prepare for the next entrance ceremony. All CheonBo couples have been asked to support other couples who are working toward the fulfillment of the conditions necessary. Thank you Siew Lian for taking on this great task and I pray that we can all support her

Please see the announcement below.

September Schedule and Final Extension of The Special grace to Liberate and Bless 430 Generations of Ancestors

2020-09-15 Hit 1,204

May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

As part of the continuing efforts to prevent the spread of COVID-19, the CheonBo training center will hold its 2-day workshop on **September 19 (Saturday)** as 1-Day workshop. We would also like to announce that 40-day workshops have been postponed indefinitely until the COVID-19 situation comes under control.

Regarding the special grace period for applying for the liberation and Blessing of 430 generations of ancestors, which was originally scheduled to conclude at the 8th anniversary of True Father's Holy Ascension (September 4, 2020), True Parents have heard blessed families' earnest entreaties for an additional extension of the grace period. In consideration of the tireless work and efforts of members during this difficult time, True Parents have granted a final extension of the grace period until the 9th anniversary of True Father's Holy Ascension in 2021.

International members may continue to apply for ancestor liberation and blessing via airmail or email. We ask your cooperation and understanding on this matter.

Please note that this official memo is for those members living outside of Korea and Japan.
