Brothers and sisters,

Our Cheon Shim Won foundation is growing and most of the western states are now covered. Last weekend my wife and I had the great pleasure of opening the Cheon Shim Won in Salt Lake City, Utah with our family members there centered on Mike and Wendy Stoval as well as Alicia Kuhlman. They have a small vibrant community with their own church building.

Interestingly, one young man showed up at church as we were having the opening ceremony of the Cheon Shim Won and I thought he must be a local Young Adult member or that he was part of the GPA fundraising team. He was very enthusiastic and inspired. After a while I came to realize that nobody actually knew him and this was his first time at our church and that he just happened to come on the day that the Cheon Shim Won was being inaugurated. The plan is that he can now study our teachings and learn that we are all about and become a member.

This weekend we will have the opening of the Portland, Oregon CheonShim Won and Dr Ki Hun Kim will be coming to Oregon for the opening ceremony. Soon San Diego will open their Cheon Shim Won.

Thank you for your deep abiding faith and your consistent giving to your local churches. As we approach the end of the years I would like to encourage you to consider giving a little extra to catch up on your tithing or to be able to bring extra blessings to your local community.

God Bless,

Kevin and Masako Thompson
