Dear brothers and sisters from Europe and Middle East,

After the very inspiring meeting with True Mother in Korea we started to work hard for the Peace Festival in Vienna on April 29, 2018. Our greatest desire is that as many people as possible can hear True Mother's message and receive it with an open heart. Also, we pray that after Vienna similar events can take place in many other cities all over Europe.

Promotional material has been prepared by our small, but dedicated team. You can find the event on our websites ([www.famfed.org](http://www.famfed.org) , [www.weltfriede.at](http://www.weltfriede.at) ) and on facebook ([www.facebook.com/FamilienfuerWeltfriedenAustria/?ref=bookmarks](http://www.facebook.com/FamilienfuerWeltfriedenAustria/?ref=bookmarks) ), as well as on: [peacestartswithme.at/](http://peacestartswithme.at/)

Next week we are going to promote the event on a large scale throughout Vienna.

As for most of the countries it is not easy to bring many people to Vienna, we from Austria are supposed to bring about 6000 people to the event. We will do our best, but we would be grateful for help from some of you. That means, we are looking for brothers and sisters who can come before April 29th and join our activities promoting the event.

**When should you come?**

The first person comes on March 26th, so you could join her (Gudrun Hassinen). Any other time later is also possible. But take into consideration that you will need some time in order to work effectively, because you will have to adjust to the situation.

**Where would you stay?**

We are going to rent a flat/flats for you close to the Vienna Family Federation HQ and we will cover the costs for renting. You would have to cover your personal expenses.

**What will be expected from you?**

You would contact Embassies, NGOs or politicians and visit them, if you have experience with this kind of work.

Or you would join our brothers and sisters promoting the event on the street with a book table and roll ups, flyers etc.

or you help doing whatever practical work needs to be done.

**Whom should you contact?**

Please apply at [euHQ@ffwpu-eu.org](mailto:euHQ@ffwpu-eu.org) as soon as you know when you can come, because we have to rent rooms accordingly.

Thank you for your prayers and all the support you gave us until now!

We will be happy to meet you in Vienna!
