3. How Well Do You Know Your Spouse? • By Jim & Hiromi Stephens • May 27 • 9pm (EST)

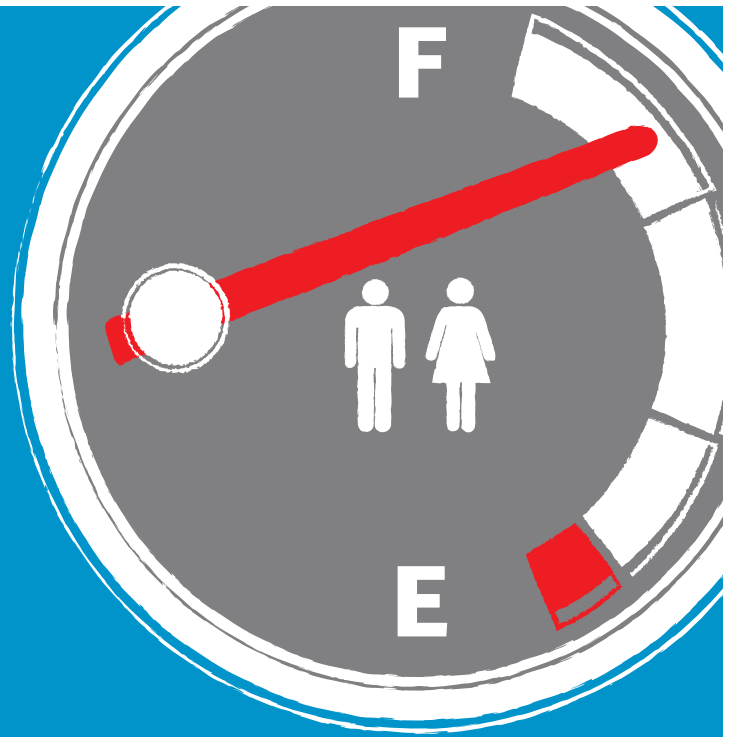

How well do you know your spouse and children? Understanding how different people think, feel, and relate can go a long way toward building better relationships or even repairing estranged ones. This presentation by educators Jim & Hiromi Stephens titled "How Well Do You Know Your Spouse?" will introduce simple methods to better understand your spouse and children. They will cover several personality profiles that they have found very helpful for improving understanding in relationships, especially husband-wife and parent-child relationships. They will also discuss how well-known personality profiles, including The 5 Love Languages, The 5 Apology Languages, Flag Page, Myers-Briggs, and astrology profiles, can be used to better your relationships.

Thanks so much!!

What is The Marriage Course?

The Marriage Course gives couples the opportunity to take time to relax, eat, drink and invest in their relationship.

The seven sessions take place in a fantastic atmosphere. You will be served with a candlelit meal and/or coffee, tea and dessert at a romantic table for two while listening to practical talks that are informative and fun.

There is never any group work and you will never be asked to share anything about your relationship with anyone other than your partner.

Who is The Marriage Course for?

How The Marriage Course works

The Marriage Course is based around a romantic table for two giving you space to relax and chat over a candlelit meal and/or coffee and dessert with background music. You'll be given the time to talk on your own as a couple. Through your private discussions as a couple around specific topics, you will discover new things about your partner and grow in your understanding of each other.

Why attend The Marriage Course?

Regular checkups help a car run smoothly and reduce the risk of breakdown. It's the same with marriage. A strong, loving and lifelong relationship doesn't happen by chance. It takes effort and dedication to keep the fun and romance alive. We can all learn how to make even the happiest marriage better.
