Hello New Hoppers,

### **New Hope Family Blessed Families to Attend TRIP TO PRESIDENTIAL INAUGURATION**

**Donald J. Trump**

45 President of the United States

***Tomorrow, Friday Jan 20, 2107***

We all feel it now...The last 4 years of America's 400 year course from 1620 to 2020 , (2017-2020) and her role in providential history *must be* successful. Blessed Families have a very real role. We can and should be involved civilly at all stages of civic process in these 4 years.

Praying, working, advocating, teaching ...along with the efforts of millions of other people of faith who increasingly seem to be getting involved in our county's civic life. Regardless of your politics, its incumbent upon blessed couples to be involved as best we can - as Jesus exhorted us to be , "the salt of the earth", "the light of the world".
