

## CARP Letter About Hyojeong Trip 2018

Teresa Rischl  
March 13, 2018

Dear brothers and sisters,

After celebrating the providential holy days over the last few weeks, we are renewed in our resolve to prepare for Vision 2020. One of our national goals is to raise young leaders and CARP America is providing an opportunity this summer for an international young adult revival.

For the third year, CARP is hosting an international and intercultural exchange trip to Japan and Korea. This year, the “CARP Hyojeong Trip 2018” will take place from June 25 to July 11. Based on the foundation of past trips, which brought 36 and then 120 people, we plan to bring 360 participants this summer to experience a revival experience with the Divine Principle.

This is much more than just an international vacation. This is a chance to experience the Divine Principle in a deeper way, surrounded by other young adults also serious about discovering the transformative power of the Principle in their own lives. In particular, our goal is to spread a culture of witnessing and pride in our teachings so students return home with the confidence to share with their friends. This trip is a great chance for guests who have been studying the Principle and are ready for a deeper experience.

Please share this opportunity with young adults. Interested and qualified high school students may also join. Because it is an international trip, we encourage everyone to register and buy their plane tickets ahead of time. Those interested should fill out the interest form at [carplife.org/hj2018](http://carplife.org/hj2018)

The trip will include a 2-day Divine Principle workshop, cultural exchanges, sightseeing, witnessing, pilgrimage to special sites including the Cheon Jeong Gung, and more.

The registration fee is \$500 and covers food, lodging, and transportation between June 25 and July 11. Participants are responsible for buying their own plane tickets to Japan and back home. Note: they should register with CARP before buying plane tickets.

This is an incredible opportunity for any young adult to connect to the roots of the Principle and inherit the heart of hyojeong with our international community. Through this trip, we will ignite a revolution in the culture of heart among the next generation.

Help make the 360 possible. For questions, contact Jennifer Pierce ([jennifer@carplife.org](mailto:jennifer@carplife.org))

With gratitude,

Teresa Rischl  
President, CARP America

## HyoJeong Trip 2018

Welcome to the 3rd Annual HyoJeong Trip!

This is your opportunity to join us for international travel and experience the power of the Principle firsthand! [Please read through everything, and fill out the form at the bottom before purchasing a ticket.](#)

The **intention** for this year's trip is to unite with Mother Moon's vision to bring more people into the culture of heart, the HyoJeong culture, and to unite the nations of Korea, Japan, and America. Our goal is to use our influence as America to influence the young people of our nation and inspire the young people in other nations to stand up for a culture of heart, to make a foundation for the peaceful reunification of North and South Korea, to inherit the HyoJeong culture, and to expand CARP after our return.

Check out our videos from the last two years!

This year, we will be travelling to Japan and Korea from **June 25th to July 11th!**

Our program will include:

- Networking with international CARP chapters
- Visiting historic sites to CARP's founders' history
- A 1000 student rally at Waseda University
- Sightseeing
- And more!!!

Prerequisites:

American Participants:

- Read at least the colored parts of the Exposition of the Divine Principle
- Cost will be \$500 plus your round trip ticket to Japan

International Participants:

- Can speak either Japanese or English
- Read at least the colored parts of the Exposition of the Divine Principle
- Cost will be \$1000 plus your round trip ticket to Japan

If you have any questions, feel free to contact Jennifer Pierce at [jennifer@carplife.org](mailto:jennifer@carplife.org)!
