

CARP USA: Happy Holidays

Teresa Rischl
December 25, 2018

happy holidays

MERRY CHRISTMAS!

As we gather together with friends and family, break bread, or serve others, let's connect to the hope and true spirit that this day brings.

At CARP, we empower students to become global citizens - people that care about the world. Especially today, we look at one of our role models of a global citizen: Jesus.

Take a moment today to apply one of the many principles Jesus lived by to create peace in a world that needs love, hope, and revival.

We wish you a safe and joyous holiday. Stay tuned for our last newsletter of 2018!

CARP Grand Rapids had a potluck at CARP Advisor, Dr. Barton, 's house.

Local Chapters

Most chapters just finished their semesters with a grueling finals season.

To celebrate the end of a successful semester, end-of-year gratitude parties for their members, their family members, and their local communities.

[Read about Bay Area's Gratitude Party here.](#)

Winter Break Retreats

While the semester may have finished, local CARP regions are offering opportunities to stay connected and learn more about CARP's Principles.
