Dear Belvedere Family,

I will be attending the launching of a research project called "Leadership and Character Education" at the National University Cocody in Ivory Coast.

I will be away from January 9th to 20th, 2021. The internet is very good in the capital city so I will be able to attend zoom meetings and respond to emails and texts.

If there is an urgent matter and I cannot be reached, please contact Elder Kobayashi as the acting pastor.

Email: kobayashi@hotmail.com

Cell: 912-577-8908

Thank you and have a blessed day.

Sincerely,

Dr. Kone
