Dear BFC,

This Wednesday, February 24, is the 8th Anniversary of Foundation Day. True Mother will hold a commemorative event in Korea on the morning of February 24, which will be broadcast live.

The broadcast will be tomorrow, February 23, at 7:30pm Eastern, at the following link: tv.peacelink.live/

As always, please send reflections as soon as possible after the event to Rev. Inguk Seo at iseo@unification.org so Dr. Yong can share them with True Mother.

In addition, if you haven't made your offering for True Parents' Birthday and the Anniversary of Foundation Day, you can make your donation at this link: hsa.givingfuel.com/tp-birthday

Thank you and God Bless,

Dr. Kone
