Greetings Belvedere Families!

Here are what's happening in our community.

### **A message from Julia Okamoto for this Sunday's Hour of Restoration event.**

Dear Brothers and Sisters,

We have been doing the Hour of Restoration for over a year now and it is expanding bit by bit.

This coming Sunday, our dear brother Rev. Bruce Grodner will take the stage as the guest speaker. It will be a great topic that fits quite well with the Divine Principle. Walking in Holiness will be like taking God's viewpoint and all that it entails. I am sure Rev. Grodner will do a great job of explaining it with a lot of heart to move the people.

I ask for everyone to support our dear brother and if you have any minister contacts to please invite them. It will be an easy topic to invite your guests. This will also be a great opportunity to help them feel closer to us and it can inspire them to attend future events with us.

Thank you very much for your support and for taking the time to read this message.

Best regards,

Julia Okamoto

"I hope that through listening to each other's testimony we can create a community of True Love. In order to love one another, I believe we need to know one another. I found in my own life that in order to experience love I need to show people the real me in all my flaws and imperfections. As you listen to these testimonies I pray that you can listen with God's heart in mind, realizing how precious each person is."
