Greetings Belvedere Families!

Here's what's happening in our community and beyond.

As you know, we are preparing to welcome True Mother with a special Peace and Blessing event on June 5th. All our subregions and providential organizations will be joining together to support this occasion. In order to best prepare to welcome True Mother, please continue with us for a 40-day condition from April 27 to June 5.

Let us prepare for the arrival of True Mother by offering the below:

Offer devotion. Let's pray for True Mother's safety and wellbeing, for our [North American goals](#), and for the success of the June 5 event. Also, let's make every effort to participate in our daily [Morning Devotion](#) either live or via recording.

Take Action: Register and Outreach. Please register yourself and your family today at peacestartswithme.com. Then invite your friends, extended family, and members of your Holy Community and tribe to register as well.

Contribute. We ask that you consider a \$300 donation per family to support this national offering. As always, any contribution you prayerfully offer is greatly appreciated. You can donate [online here](#).

We are honored to present the Mother of Peace Memoir Essay Contest!

We are living in the most challenging times; Yet it is also said, "That the darkest part of night is just before the dawn of a new day."

In the words of Bishop Noel Jones, Senior Pastor, City of Refuge Church, LA, CA

"the Father has always provided illumination in the darkest times of our lives, so we thank Him for inspiring the memoir, Mother of Peace, authored by His luminary, Mother Moon. This book of hope is a must read in this trepid season."

As you read the untold story of Dr. Hak Ja Han Moon, born in North Korea as a village girl who is now known by millions for her generosity, pure and loving heart as the "Mother of Peace". This essay is based on your reflections of the Mother of Peace Memoir, an Amazon Best Seller.
