

Only Begotten means Sinless

Parents." CSG p.758

"When the only begotten son comes, it would be a disaster if he were to live alone. There has to be an only begotten daughter." (CSG p.180)

The term "Only Begotten Daughter" appears 180 times in True Father's words. Theologically, it means "The first one born without sin", "Begotten from God." Only one who is born without sin could reach Perfection... for anyone else is an easy prey for Satan.

"No one who is begotten from God commits sin." 1 John 3:9

In Divine Principle, the very concept of True Parents is "the first sinless couple giving Rebirth to the whole of humanity"; signifying that "sinless Bride, prepared by God" has to appear (Rev. 19:7). I don't presume anyone can explain what is 'born without seen' in actuality, but we can see some of the [conditions for Mother's birth](#) and read Father's explanations:

"Blessed marriage and eternal life begins from True Parents. They cannot exist without True

Divine Principle explains, that she is the fruit of 2000 years indemnity, expressing for the first time God's Feminine Characteristics. Meaning; if the previous 2000 years were for Jesus to be born sinless; the last 2000 years were for a Bride to be born sinless. See, [True Mother's Mission as the Holy Spirit](#). However, the fruit of Christianity was not enough pure and Satan could invade it. Read, [How wonderful if Father Married only True Mother](#)

"Since the invisible God has no physical body, the True Parents are His incarnation... In the future, God will appear in the form of the True Parents in the spirit world." CSG p. 935

If you study True Father's course you'll find out that Mother is born sinless based on Father's successful indemnity and that of the churches prepared to accept him. Add the conditions made by the Han tribe and that she is born in 3 generations prepared daughters. Read, [How was Mother born without Original Sin](#). You can clearly see that there are cosmic, national, tribal, family and personal conditions guarantying that Satan will have no foundation to invade her. This fact is visible when you compare her unity with Father and how vulnerable was the 1st wife.

Only Begotten means 'First Born Sinless'

But Hyung Jin and Kook Jin are now creating New Theology that the Wife is not important, she is only accessory. Kook Jin even proclaimed, that Divine Principle and CSG are not important, because the 2nd King will only now reveal the Truth. Read, [Kook Jin Denying CSG and Divine Principle, cause True Father never told us the Truth](#)

"No one who is begotten from God commits sin." 1 John 3:9

To be able to eliminate Mother they are changing even basic theology; They say, "Ok, she may be the Only Begotten, but she is sinful". But the very concept of Only -Begotten is "The First Born Sinless". It's not even important what percent was purified before birth and how much she had to grow afterwards. Both factors are important. Born based on history of purification, one needs to grow first to Individual Perfection, then Family, National, Tribal and World level.

"The individual perfection.. is not the absolute and complete perfection of the individual... They have not experienced the great power of loving each other so much that the husband cannot give up his wife and the wife cannot give up her husband even in exchange for the universe. The love they share is so strong that it can hold heaven and earth together." (Father, CSG)

That's why there were many declarations where Father proclaimed that Mother reached each of these levels. But the final level of God's liberation was the Foundation Day, when Heaven (centered on Father) and Earth (centered on Mother) were united for the first time. Thus God's Kingdom (Cheon Il Guk) could start.

"In the Kingdom of Heaven, God's direction will be conveyed to all His children through the True Parents of humankind, guiding everyone to live as one." Divine Principle p. 46

Naturally True Parents' direction can be transmitted only through children who are united with them, not those who do everything to deny them, divorce them etc.

Mother is the Only Begotten Daughter

CSG Quotes about God's only begotten son and daughter

Father is clear:

"When the only begotten son comes, it would be a disaster if he were to live alone. There has to be an only begotten daughter. The only begotten daughter must be found and, centering on God, the only begotten son and daughter should marry each other.. This way, God should rejoice as the vertical parent and the only begotten son and daughter must become the bride and bridegroom who can rejoice as the horizontal parents and give birth to children on earth. Only then will the tribe begin to expand." CSG p.180

MOTHER IS THE ONLY BEGOTTEN DAUGHTER

- (1) It would be disaster if Father was alone
- (2) There is an only begotten daughter (Mother)
- (3) Only than God can rejoice
- (3) Give birth to children on earth for tribe to begin

What's the use of Bride, after True Father is in the spirit world? Sanctuary Church uses our ignorance. In fact they are accusing Mother for repeating Father's words. Fact is, Father said that Jesus is the Only Begotten Son and that Mother is the only Begotten Daughter born 2000 years later without original sin. Father says, he didn't need to be born without sin, just had to inherit Jesus foundation, but Mother, as the first restored woman, had to be born of pure lineage... These are all Father's explanations.

"You cannot go to the kingdom of heaven alone. You can enter the gates of heaven only after you have your ideal object partner." CSG p. 759

And few more things Sanctuary Church forgets; We accept no divorce and we are responsible for our partner to save him even from hell:

"The members of a blessed family cannot be separated from each other no matter how hard they try.. if the wife failed to fulfill her responsibility, the husband must take joint responsibility and resolve this." CSG p. 761

Mother's role was crucial

"Were it not for the Fall, heaven would have been a place to which God's only begotten son and daughter would have gone after creating His family and living in His love. Heaven is to be entered by families, not individuals." CSG p.648

- (1) God's only begotten son and daughter are the first couple in His love.
- (2) Father, as individual cannot enter Heaven. He needs only begotten daughter.

"In that regard, heaven is vacant.. The loss of Adam and Eve meant the loss of their clan.. He lost the heavenly race and tribe, and the heavenly man and woman – His only begotten son and daughter." CSG p.648

- (1) If there is no only begotten couple (True Parents) heaven is vacant
- (2) If True Mother didn't fulfill her mission, no clan, no lineage, no True Children will appear

This was Father's mission, to restore that loss, to restore only begotten daughter and the first true family, clan and nation. Mother's help and role was crucial all the way. Especially now, when she, united with Father in the spirit world unites the Cosmos to establish God's first restored nation, Cheon Il Guk.

Mother United with Father's Vision

We see Mother constantly talk and mobilizing us about that. Read to see a glimpse into the great work Family Federation is doing on world level, following Father's vision. We see God's Ideal being realized in front of our eyes with amazing speed, through the guidance of True Mother.

"Our own Unification Church members put up opposition saying women can't do anything.. but then True Mother stepped forward.. Therefore, I declared the arrival of the era of women. Wait and see if the age of women comes now or not." (Father CSG1, 1992.7.31)

Mother's victory is the first in history and the model for all women. If denying this fact Sanctuary Church will deny all Father's teachings and achievements. Father himself said, "the "only begotten son" needed to find the "only begotten daughter." Father also said:

"You have been born through True Mother. Remember that the favor bestowed by the True Parents is a great blessing that cannot be exchanged for anything in the whole universe." Father, CSG

True Parents RESTORING THE WORLD

[A VERY HOPEFUL and inspiring REPORT](#)

Amazing community is forming around CP Lake. You see a new pure, happy and creative culture rising among the thousands of second gen. children living and studying there. And this is only a glimpse into what's coming in near future, when big communities of few generations start appearing everywhere around the world.

"The new era is beginning in which the kingdom of heaven on earth and in heaven is substantially spreading out before your very eyes, and when there is no longer the need to distinguish between the True Parents who work as the embodiment of God and the incorporeal God Himself." True Father, 1.6.2009

To Establish the First Model Nation in 2020

Number of nations already educating their citizens in the Culture of Heart. In special-chosen nations rural areas with 80 to 100 % Blessed families. The Culture of Heart spreads like fire. Close to 400 families already fulfilled the Tribal Messiah mission to Bless and Educate 430 couples.

"God's world is one based on the culture of heart. It is one unified extended family centered upon the one love of God. As such, the five races should live as one big family, with no one above or below others. Such a time is coming." Sun Myung Moon, CSG p. 1533

The magic happens in so many nations; Some Buddhist, some are Hindu or other religion... yet Tribal Blessings and the spread of the Culture of Heart is happening very fast. With the current temps of education... the estimates are 10 mill. new Blessed Families educated until 2020. But there are many additional effects... Already a Christian Leader, after going through 40 day WS, is teaching Divine Principle in his church. He alone has millions of followers. They started using Family Pledge and True Parents' picture.

World Leaders and Governness Supporting Actively

At the moment there are around 50 chosen nations. 13 of them are selected as special -- since the education of their citizens is going with great speed. Thousands of high official and VIP underwent 3 day and 7 day workshops on Divine Principle (Divine Principle). 700 world leaders have come to Korea for the [World Summit Conference on Peace](#). We have the report of nations that have 60% of their government officials educated in Divine Principle workshops. The list of worldwide activities for Peace of UPF has no end and surpasses any effort of UN or any government. ([Read full text](#))
