Father scolded leaders of being misled by True Children. How pity, his words are now completely valid for Kook Jin and Hyung Jin

Audio Record -- Father spoke to Mr. Kamiyama about Hyung Jin's betrayal 07.16.2010

In this Video, Father scolded the leaders, **not to be misled by True Children**; his children are not the leader, he said. This was after Hyung Jin's appointment. Father continued, "They ignore me and claim that their decisions are better than mine. It's ridiculous!" Father stressed, "There are so many lies that they are saying, claiming its essence is true, or Father approved this or that etc. It's ridiculous!"

"The children must show absolute obedience before the Parents who have come in the original name of God. There is no objection to that." CSG

Father made it clear, his children should **not create new ideology**, "We should not accept anyone's unrighteous ideology. I cannot endorse ([Hyung Jin's ideology](#)) or anyone else's. There is only one ideology, that of the True Parents." Let's be clear, any denial of True Parents is from Satan, Father explained, "they resent Father.. they hate Father." **So much of [the succession arguments](#) of both, Hyun Jin and Hyung Jin.**

At that time Father said, "So far only Kook Jin Nim and Hyung Jin Nim are connected to me." However, soon after, that was no longer the case. Hyung Jin and Kook Jin themselves repeated their brother's disbelief and rebellion. Read, [Sanctuary Church Influenced by Implanted Manipulators Aiming to Destroy True Parents](#)

"They ignore me and claim that their decisions are better than mine.. they lie Father approved this or that." True Father

FATHER'S AUDIO RECORDING

Who is the leader? True Father or his children

True Father: "Who is the leader? True Father or his children? Where did Divine Principle come from? **Not Hyun Jin. Not Kook Jin or Hyung Jin...** They said, "Father became senile, therefore we need to make the right decisions". They ignore me and claim that their decisions are better than mine. It's ridiculous!"

Kamaiyama: I wish Hyun Jin Nim could return to Father...

True Father: "He left a long time ago, many years ago. After spending many years in the church, you shouldn't follow another central figure..

Wishing? Wishing?.. It has been more than 10 years since they left. It's your immaturity... You should ask me if you don't understand. Without asking me, you work together with them. Why? Jin Man!.. Why are you working with such a man?

There are so many lies that they are saying, claiming its essence is true, or Father approved this or that etc. It's ridiculous!

You follow them here and there listening to them, one thing and another. There are so many lies that they are saying, claiming its essence is true, or Father approved this or that etc. It's ridiculous!.. I have been explaining with Divine Principle, Divine Principle itself.

Why do **they resent Father?** Why do **they hate Father?** ... Some people are just stuck in the past. They will eventually disappear automatically. I don't need to explain anything or educate them, they will just disappear. Have any of those who claimed that they were right, returned to me? None of them."

LESSONS FROM FATHER'S WORDS

Evil is not what we Expect from a True Children

It's a fact: Malicious spread of rumors with an evil intent to ruin True Mother and Unification Church, with no remorse.. That's what Sanctuary Church is doing. Their attempt to destroy and divorce True Parents makes it unforgivable. Read and learn [HOW GOSSIPING WORKS, learn HOW TO STOP IT](#). True Children are subject to spiritually attacks, and this is a very difficult responsibility to overcome (burden of 3 ages).

HYUNG JIN'S CRIMES:

1. Denied True Parents

2. Proclaimed himself a New Center over True Parents

3. Changes True Father's ideology, teachings and traditions

These are the 4 Fallen Natures! Yet, Father clearly said: "The Completed Testament Age is the age of liberating God by sacrificing the Parents' family" (CSG). True Parents are sacrificing their own children to restore the world. By allowing Satan to attack True Children, God has the right to liberate us, despite our failures. Despite of our fault in True Children's deviation, True Father is asking us to focus on the providence and not loose time with such people.

True Father, "They will eventually disappear automatically. I don't need to explain anything or educate them, they will just disappear."

We cannot accept True Children Ideology over True Parents

As Gregg Braden explains, "A small initial change in the trajectory, in the distance will move us a big distance away from the center (True Parents)." As it is happening with Sanctuary Church. And Father was very clear on that; We cannot accept true children's ideology over True Parent's ideology:

"This cannot happen without True Parents being at the center. Now there is no ideology you need other than the ideology of True Parents. There is nothing else. We should not accept anyone's unrighteous ideology. I cannot endorse (Hyung Jin's) ideology or anyone else's. There is only one ideology, that of the True Parents." CSGI

It's a fact, Father was still alive when Hyung Jin and Kook Jin were going around and trying to convince leaders, not to follow Father's direction. As they put it, "providence is ongoing", so Father's directions are no longer important. Read, concrete facts and testimonies of members and leaders in [other articles](#). Even SC main argument that Mother changed CSG, proved to be, in fact, [Father's directions and fixing incorrect quotes](#). Not to speak of Hyung Jin's free re-interpretations of Divine Principle and the Bilbe. In his videos he is the child, from Revelation 12:5 and [Mrs. Kang is the Mother](#). In another video [Hyung Jin is like Moses](#), who run away from the Satanic Palace (True Parents) and should get us out of them, to save us. So who is changing Father's teachings!!!

Satan wants you to Deny True Parents

And surely it's Satan's power behind their attacks on True Parents, as Father explained:

"Satan fears the words True Parents.. because when people believe and follow these words, everything Satan has will be destroyed and brought to ruin. These are words he intensely fears. Satan always tries to block the way of the True Parents and longs to see their corruption and downfall."

[Video Recording](#) -- Hyung Jin admits Father specifically asked him to proclaim that he will never put himself a "new center" and "deny True Parents", no matter if they make mistake or hurt him. Even after appointing Hyung Jin, Father was still clear, "The responsible person of Unification Church is not Hyung Jin.. On the top of Hyung Jin there is Mother." [True Father, 2011](#). True Parents are the eternal center and the eternal standard. [The claims of succession](#), if you read carefully, are nothing but Father's attempt to make them responsible to inherit. In the very prayer at that event, [Father warned of possible failure](#).

Father instructed not to follow any future generation Moon, that denies True Parents or proclaims themselves a new center, instead of the True Parents, no matter what lies, rationalizations and claims they use. Father was very specific on that!
