False 'Mother', False 'Wife'

Satanic Ceremony -- Hyung Jin and Sanctuary Church reverted back to Satan's lineage

Sanctuary Church held a SATANIC CEREMONY where Hyung Jin separated from the lineage of his parents and reverted back to the lineage of Satan. Seems like his father and mother are now St. Augustine and his wife, Mrs. Kang. The bizarre thing is, they don't seem to realize what they are actually doing. See, [Mrs. Kang: The New Clown 'mother'](#)

But lets recognize that their actions are systematic. A year before this act, in a Sanctuary Church lecture was explained that [Hyung Jin is a reversed version of Moses](#). If Moses brought God's people out of the Satanic palace, now Hyung Jin will bring out God's children, from True Parent's Palace back to the Satanic world. It sounded funny to me. What, they openly say Father's palace is 'satanic place' where Hyung Jin spent his early 40 years.

Cutting off from True Parents' Lineage

"There will never be another set of True Parents." True Father

The false wedding with Mrs. Kang, held by Sanctuary Church was nothing but a Satanic Ceremony of cutting off from True Parents' lineage and engrafting back into the fallen lineage of Mrs. Kang. Thus, Hyung Jin is losing completely his credibility and authority as True Parents' son. Much less to be their representative or heir. Read, [HYUNG'S FALSE CLAIMS OF SUCCESSION](#)

While we work to restore nations, in Sanctuary Church they are busy proclaiming Mrs. Kang as their new mother, without even divorcing her from St. Augustine.

The ceremony was a grotesque mixture of court case, divorce and wedding at the same time. Lady Kang was declared true mother and married to Father in the spiritual world, while simultaneously divorcing him. Read, [Mrs. Kang](#)

Against Father's strict Instructions

We see Hyung Jin violating his promise and going directly against Father's instructions:

"If I deny True Parents you must not follow me" Hyung Jin

This proclamation is recorded on video. It was done under the strict request of True Father after Father instructed Hyung Jin personally for 8 hours that "after his passing Mother will be the center" and "he or his siblings should never proclaim themselves as a "new center", even if True Parents make mistakes.

"My father... as long as he is here, he is the top decision maker, if he is not here, then my mother is the top decision maker. Because of my mother's presence, there is no confusion regarding succession in Unificationism." Hyung Jin 2008

Furthermore, this command was in power for all future generations of Moon. True Father warned Hyung Jin that no future generation may go against True Parents, when father is not around. Father asked Hyung Jin to come out openly and proclaim these things publicly.

Against Father's Last Public Request

Father's last public proclamation shows how false are all accusations of Sanctuary Church against Mother. Instead, Father requested on life and death to unite with Mother, because she is the victorious model:

"Under True Mother as the victorious representative of the world's women, women can establish now the model..." Father's last Proclamation -- July 16, 2012

If we read [Father's last public speech](#), just before his passing, we can understand Father's unity with Mother; proclaiming that they are the victorious True Parents; and Mother is "the victorious representative of the world's women," "the model of a true mother and true wife."

"I sincerely ask you to choose True Mother's path; the path of a true wife, of a true daughter and of a true woman leader who will build a unified world where freedom, peace and happiness."
Father -- July 16, 2012

Father said, with Mother, they lived united "throughout their lives," "based on true love... learned from Heaven" and his last order was to "devote ourselves completely... under the guidance of True Parents, who are carrying out the providence on earth as the substantial selves of God, the King of peace."

Yet again, we see Hyung Jin violating his Father's request. Read, [Second King Hyung Jin Caught Lying Again](#).

We see clearly that in 2008 up until his passing, 2012, Father was clear about central position of Mother. The real conflict with her was that Hyung Jin did not want to be obedient and needed a way to go against Father's commands and teachings, because they restricted his selfish desires.

"The responsible person of Unification Church is not Hyung Jin nor Kook Jin. On the top of Hyung Jin there is Mother... Do not forget this." (True Father 2011)

Hyung Jin's False Claims of Succession Kook Jin false Sanctuary Church's false God commands... through True Parents, not directly from "God to True Children. All children and the rest of the world must follow in the way of True Parents. There is no other way." True Father
