

Satanic Practices Turned into Vast Capitalist Enterprise - CIG NEWS

Expose These Monsters

CIG Report / 15 August 2022

The battle between good and evil is complete, we have won, and we have a very bright future ahead of us. The change starts with us. So, we have to learn the truth, no matter how painful. We have to spread the truth, no matter how opposed.

In the [previous CIG-Report](#) I told you about Nicola Tesla's secret laboratory, and the ban on the Catholic Church in Canada, because of Satanic ritual abuse of 500 thousand children. But let's go deeper into revealing the Monsters behind this problem. It's not only the Catholic and the Orthodox Churches that got invaded by this Satanic Cabal.

What Fulford reported is shocking, "**monotheistic religions** are mostly controlled by groups of people who themselves do not believe in God. Instead, these families think of monotheism as a tool to control their subject peoples. These people worshiped a goat-faced, forked-tailed god known to us as Seth, or Satan. They are the ones who are facing the loss of their power."

Satanic Practices Turned into Vast Capitalist Enterprise

Do you know how many children are kidnapped each year? How many each minute? Watch this video. See how even governments and hospitals are involved in the horrible practice of child trafficking.

This is a spiritual battle, it goes back thousands of years. Bible warned the Israelites to stop the practice of sacrificing children to Moloch. This practice continued for centuries and is even more prevalent today, expended into a vast network of capitalist enterprise. See, [SYSTEM WAS CRACKED](#)

To connect with these spiritual creatures, they perform different ceremonies. The most powerful and evil beings can only be contacted through human or animal sacrifices, they themselves claim. The Divine Principle explains that only by making good or evil conditions you can allow the good or the evil spirit world to work. So it depends on us.

God's immense pain is expressed in this documentary. Knowing and spreading this truth is a huge step towards solving this problem and liberating God's heart. Running away from this painful truth is running away from God.

In [Backing News](#): A Hollywood actress, Anne Heche, mysteriously dies just weeks before her movie about Sex Trafficking is released to the public. But we see video, where she looked just fine after the car accident, but was forced in the ambulance against her will. And did you know:

Watergate was about Pedogate: "In 1972, the burglars sought "the Book" which listed the Democrat and Republican politicians who accessed child prostitutes, their sexual proclivities, the amounts they paid to rape kids, and such."

The Ruling Elite is Under Dark Spiritual Control

In this regard the last Fulford report asks the question, "How much evidence is there that the senior leadership of planet Earth is not human?" Humanity was never free. Evil spiritual powers dominated us. And those on top were involved in many satanic rituals to unleash those powers on earth.

Fulford writes, "there is a lot of evidence that something alien is involved in the highest levels of government on this planet." Some other-dimensional, spiritual force that does not understand the Four Realms of Heart and the importance of family.

Example: Hospitals today are confused who gives birth to the babies, men or women? So they just call

from Spirit World

them 'Birthing People.' It's all international propaganda carried out by the rich elite pedophiles.

Why do you think all the elite was flying to Epstein's Pedo-Island? Why did Epstein invest heavily into Ukraine's Bio-Labs? Why did Russian military find thousands of children in cages under these Bio-Labs? The more you research the more you find out how deep and vast is this Satanic web controlling humanity.

How powerful these Satanists really are? - Fulford asks. "They control the mega-corporations, most Western politicians and central banks. 700 people control 90% of transnational corporations. One person will usually sit on the board of several corporations, but they are all part of the same family group. They are engaged in a multi-year, multi-generational project to undermine democracy, the rule of law and freedom of the press." And you find that the money of debt are a central part of their system of control.

70 000 armed IRS's Police Force

I've been reporting regularly about the fight with this evil and the victories of the good guys with my [CIG Updates](#). If you think that's not concerning you, you are wrong. This evil system is all over us. Reducing our God given freedoms from every direction. Illegally taxing us for everything.

Human history was a financial slavery designed to block out development and keep us stuck in the material needs. Now IRS wants to higher **70 000 armed new employs**. Armed! To act as police. But the Deep State is broke. Their agendas are failing. When they called the Treasury Department saying, "For this bill we are looking for money to higher 87 thousand new employs." They answered, "We don't have any money."

Delta Forces Seize IRS Weapon Shipment: On Monday morning they intercepted an 18-wheeler packed with pistols and bound for the Internal Revenue Service in D.C. This was hours after Kabula Harris's tie-breaking vote on the regime's climate, health, and tax bill that empowered the IRS to hire and arm 87,000 new agents—to the tune of \$80 billion.

According to the manifest, the trailer held 23,500 crated Sig Saur P229s and 160,000 rounds of .40 caliber ammunition, ostensibly intended for the **IRS's enhanced police force**. The IRS is an enemy of the people, and those pistols...why would they need them? Think about that? - the source said.

Create Food Shortages: Corporations forced not to send their products

To survive these elites now want to create world shortages and world war. No one seems to be able to find where Pelosi is since yesterday. Nancy Pelosi was running around making these promises, in order to cause these shortages. Yes, that's their goal. Make shortages, rise prices and taxes, and push us to the corner. But that also takes a lot of money. They promise big money to these corporations to comply with this evil plan. It's coasting all of these corporations money. The majority of these 700 billion dollars was to go to companies like Black Rock... all of these corporations that are forced not to send their products.

"If they can control the food supply, the weather and the financial grid, we are back to slavery. Most people cannot fathom that they want to make 8 billion people into slaves. But that's what we are dealing with."

C.A.Fitts

As we saw, Pelosi's visit to Taiwan failed, since the old Chinese women, giving orders to the military, was dead, as Kimberly announced. Their deal was called off, no gold for Nancy and she will not become the next leader of the world. Now the question is, will she be brought to justice for trying to make a world war between China and Taiwan.

After trying to kill us with Lab-created virus and Gene-altering vaccines, "now CDC admitted it was wrong to downplay natural immunity and to promote asymptomatic testing."

But now this **absolute Psychopaths**, are pushing the narrative of solving the food shortage by [eating our dead people](#). In fact researchers found, Human fetal cells in the food you buy: Yes, aborted fetal cells were used as flavoring on all processed products you buy. That's why promotion of abortion was so big. 40 million children are aborted each year. They used them as flavor enhancers. They are also making a push on liquifying dead bodies to fertilize the farmland.

But we also learn that all the weather anomalies are also man-made, exactly with the purpose of pushing such crazy solutions and taxing us even more, limiting our freedoms completely or have the right to imprison or kill us. It's not a joke.

As Zbigniew Brzezinski elaborated in 2008, "Today, it is infinitely easier to kill a million people than to control a million people." They can do it with viruses created in their Bio-Labs, with Food Shortages, with Terrorists, sponsored and trained by them, or manipulated Wars, which were always a 'theater' just to reduce the population. Meanwhile keeping us asleep with their fake news and puppet political actors. When someone deviates from the script and tells the truth, he is outcasted or killed.

Mar-a-Lago Raid: is Trump Alive

The White Hats say, this is part of the Movie. Everything in the safe was already disclosed. It's part of the bad guys hanging themselves. Even if Trump is arrested, don't be surprised.

Trump also made many promises to the Cabal, but was unable to fulfill them. He promised them money, promised to be their new Pindar, to save them. But nothing was fulfilled. Actually he took the Pindar chair in his

home. Which is another reason for the raid. Sitting on this chair makes the Illuminati leader be possessed with high demons and thus be their chief. The so called, White Hats, behind Trump say they are doing it to frame the bad guys. But Global Repository says, stop lying to the people.

UNN News: "There are now 7 to 13 law firms around the world that are set to release information on the whole Trump family upon Ivana's death. Call it a 'Death Switch.' It's all downhill from there."

Kimberly Goguen warned them, "pretending a dead guy is still alive to collect money is not an operation." And she pointed the operations of the GR that eliminated the Cabal leaders that showed to receive Lucifer's instructions at several regular events. Make a decision, she said, those opportunities will not last forever. At this point, the best you can hope is survival. So choose wisely.

If you expect the leaders of this world to change, first the agencies should change, Kimberly explained. Every politician is run by agency people. The agencies on their side receive directions from Covens who are in spiritual connection with the evil spirit world. The top of the whole structure of control was directly under Lucifer, who stepped out of his position in 1999, and now everything is collapsing. See, [LUCIFER LOST HIS POSITION](#).

The Trump raid, what were they really looking for? Number one, proof he is dead. So Kimberly is asking, will the agency people running the Trump show continue to lie to the people? When will they reveal that he is no longer alive? My question is, "If Trump tricked the Cabal, is he really on the good side?" Is he really dead or that's part of protecting his life? Is all that just another optics of truth, we are still to see. But the fight of the good forces for the liberation of humanity still continues. See, [REV. MOON: THE TRUE MEANING OF THE MESSIAH](#)

Comment: But now we find, the Warrant for the Raid was signed by a Judge who was hanging out with Epstein.

Remember this **video documentary** - NSA has it all on all of these people. They all had to capitulate in front of Trump. The major corporations, all the media companies and all other puppets, they show them all the documents they have on them. "You play with team-Trump or all of it will be declassified. Each one of you will be opened up to the masses as a child murderer." So they all capitulated.

Obvious Signs of where things are going

What we see for sure, is (1) Humanity waking up and exposing the evil ideologies and methods of the Satanic System. (2) The wave of countries stepping out of the Rothschild Fiat Money and moving to the Gold Standard. (3) One by one countries exiting the control of the Crown - Jamaica, New Zealand, Australia, Canada etc. (4) And now, starting with Canada and Nicaragua, upcoming wave of banning the Catholic Church - because of the millions of children raped and killed in Satanic rituals.

As the [Divine Principle](#) explains, the Fall was Lucifer's pedophile act of [seducing sexually Eve](#). Thus since the very beginning of the human history, humanity was under the spiritual control of these fallen angels - other dimensional beings, who can only work on earth when they invade spiritually and use human beings on earth, for they themselves have no physical body. It's a spiritual principle that spirits, no matter good or evil, can only exert their work when someone on earth requests that and makes corresponding conditions.

Events started to bring down the CCP Communist Regime and their banks. Yes, China begins collapsing the Communist Regime through the banks and the civil unrest. After that the new Gold backed system will be in full effect throughout China. / [Situation Update](#)

Whole World was under the Crown Maritime Law

Many members do not grasp the enormity of these events. Today we find the Federal Government telling the doctors how to doctor, the teachers, how to teach, the builders how to build. This control grew up like a spiderweb, like mold that rots everything. Now the powers allowing this Satanic control of the earth are being removed.

"The whole world has been under the English Justice System. (MARITIME LAW, CROWN, GOLD FRINGE ON US FLAG) The removal/arrest of the 9 Supreme Court Justices will trigger the Event. The enormity of what is coming will SHOCK THE WORLD."

Yes, the Satanic Sovereignty is collapsing. Not only the [Khazarian Bankers](#), the Crown, Vatican, 9/11, and the Jesuits (Black Pope) are being exposed, but we see much deeper cleaning process. Disney is facing a huge backlash for sexualizing children.

And as I explained, the recent decision of the Supreme Court basically **knocked out 80% of the Federal Government**. Every government agency that have been making up tyrannical rules and regulations without the consent of the people. The Deep State was controlling us with their millions of legislations that don't even go through Congress. Now this is all collapsing. The 13 Secret Militaries, giving them protection, are also gone. See, [SUPREME COURT OVERTURNED BIDEN'S ELECTION](#)

"An ancient system of turning humans into domestic animals is being overthrown. We are heading into uncharted waters and a new era or a new era of history." **Fulford**

Time to take Ownership

We no longer need these secret or alien spiritual controllers to decide how we live and what we do. We the people should be free to decide our own future. Only in freedom we can take responsibility and grow spiritually, the [Principle of Creation](#) explains. To develop our heart and conscience we need to create true and loving families. See, [PRINCIPLES OF GROWTH: DEVELOP YOUR HEART](#)

Since family is the school of love, family is the foundation of creating God's ideal world of true love and peace. This is the key revelation Rev. and Mrs. Moon gave to humanity. And I urge you, members or non-members, to start studying the [Divine Principle](#) carefully, and learn how to apply these principles in your daily life.
