A Personal Reflection

Many things are being asked of us as of recent. There are some people who are doing the heavy providential lifting, and there are some of us (myself included) who are not.

Yesterday, Sunday, August 11th, during his sermon in Barrytown (UTS), our National Leader Rev. Demian Dunkley introduced something called Godible. (No, it is not something that you eat with your physical mouth. It is something eaten spiritually).

Godible is an app that can be used on a smartphone (by texting the word 'Godible' to 33444) or on the computer (by signing up [here](#)). Once connected, you will be receiving an excerpt from True Mother's Anthology at the time that you have selected. This allows each and everyone of us, and as a nation, to read God's Word in the form of True Mother's Anthology as a Hoon Dok Hae wherever we are. Furthermore, this gives each and everyone of us another opportunity to contribute to the national foundation of victory as we approach the conclusion of VISION2020.

Let's do it not just because our National President has asked us to do so, but because it gives us another opportunity to contribute to the establishment of the national foundation that our True Parents can use to declare victory at the conclusion of the VISION2020 providence early next year.

Think about it this way. Fulfilling the HTM providence is more on the side of establishing the foundation of substance that True Parents can use to qualify this nation as a Cheon Il Guk. However, reading the Anthology as a nation will allow for the establishment of the national foundation of faith. We all know very well that according to the Principle, "...we establish the foundation of substance on the basis of the foundation of faith" (EDP, p. 181). So let's unite with our National President and establish a national foundation of faith that will ground the national foundation of substance

that is being established by those who have been faithfully and diligently carrying out the HTM activities.

Oh, you can also read the letter from Rev. Dunkley [here](#) to get the gist of the sermon he gave yesterday.

I hope I didn't step out of bounds putting in my two cents.

May God bless you, your families, this great nation, and this world that is full of infinite potentials.

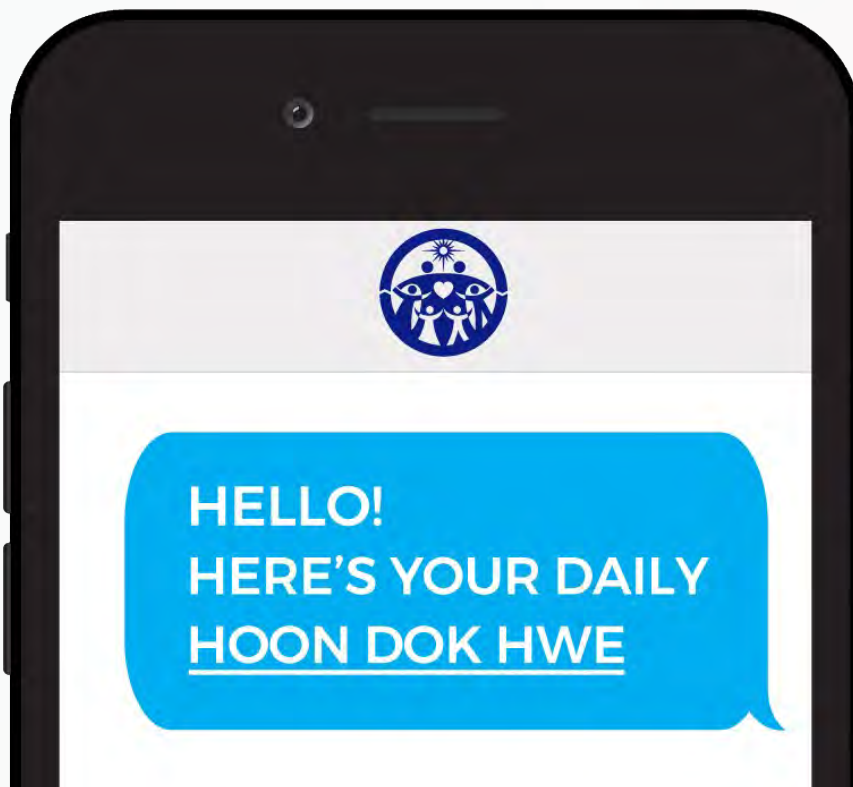

Aju!

A Letter from the President: Godible – “Let God’s Word Be Heard”

August 9, 2019

Dear Brothers and Sisters,

Imagine if we were all on the same page. Imagine if we were all resonating with wonder and pride in our Heavenly Parent and True Parents. Imagine if we went out each day even more inspired, somehow able to find solutions to problems more easily, and inspire others to be happier. Would you like to be more happy and make those around you happy?

Recently I’ve been reflecting on the nature of the challenges we face, and I realized that they all share a common cause. In fact, all problems in human history stem from the same problem. When we are distant from the Word, we create all kinds of problems. That is why True Parents initiated Hoon Dok Hwe, and Dr. Kim has been consistent in his guidance about the importance of this sacred tradition. True Father was even quite specific about how to organize it:

“Prepare in advance the Hoon Dok Hwe content relevant to each of the 365 days in a year. A unified Hoon Dok

Hwe program must be implemented throughout the whole world. You should be able to say, "The Hoon Dok Hwe reading for today is..." Whether eating or occupied with work, whenever you have the opportunity, you should discuss and converse on the content for that day." (Cheon Seong Gyeong, Book 11, chapter 2, section 3, No. 10)

Therefore, we are going to conduct a Unified National Hoon Dok Hwe Program, whereby we will all finish True Mother's Anthology together by the end of the year. Regardless of whether you have recently completed the Anthology, or you are already reading daily, this is an extra condition that can unite us with God and True Parents, and also put us on the same page together as a family.

To help you enjoy this incredible opportunity, we are launching Godible, our new exciting way to do HDH. Godible will help you participate in a daily 10-minute reading by sending you a snippet straight to your mobile device. Visit Godible.org or text 'Godible' to 33444 and sign up now! It's absolutely free. [[Watch the launch of Godible at the August Monthly Meeting.](#)]

Remember, True Mother has called all of us, including those that we're reaching out to and partnering with, to create a new movement that attends God. We need to be the vanguard of that movement, and we do so by starting with the Word. Making sure that every day our mind, heart, and soul is resonating with the life-giving Word from our True Parents will help us fulfill our responsibility and lead this nation. So sign up for [Godible](#) now. It's time for God's Word to be heard.

God Bless you and your families,

Rev. Demian Dunkley
President of Family Federation for a Heavenly USA
