

Albanians' Peace Council Established in Kosovo

Hotel Theranda, Prizren, 17. November 2013

The newly established Albanian Peace Council

Establishing an Albanians' Peace Council which could include all the Albanians living in Albania, Kosovo, Montenegro, Macedonia, South Serbia and North-West Greece was the goal of UPF Albania and Kosovo since two years ago when we concluded the National Peace Council Assembly on November 2011.

During these past two years we could develop further this idea by trying to bring together top Ambassadors for Peace from the above mentioned countries. The first concrete step was the European Leadership Conference organized last year on 27 – 28th of April 2012 in Tirana with title "The Role of Albanian People for Lasting Peace in Balkans." That conference brought together top VIPs and Ambassadors for Peace from Albania, Kosovo, Macedonia, Montenegro, Southern Serbia and Cameria (North-West Greece). Key VIPs were appointed as Ambassadors for Peace and encouraged to see Albanian people from another viewpoint, their historical course and the role they could play in Balkans as a Nation of Peace.

That conference was followed by another European Conference which took place in Kosovo one month later on May 27th – 28th in cooperation with Ministry of Justice of Kosovo Government. Both these conferences created a foundation to build upon and after continuous communication and discussions; we decided to convene the official event to establish Albanians' Peace Council.

For organizational matters and reduce of costs, we decided to hold the event on the same place and date with the Assembly of National Peace Council of UPF Albania which took place from 17th – 18th of November in Hotel Theranda, Prizren – Kosovo. After concluding successfully the Assembly of UPF Albania with the participation of over 130 Ambassadors for Peace, on the afternoon of the 18th of November we brought together 23 top VIPs and Ambassadors for Peace from Albania, Kosovo, Macedonia, Montenegro, Southern Serbia and Cameria (North-West Greece). Among them we can mention the Former President of Albania H. E. Alfred Moisiu (2002-2007), Former President of Albania H.

Mr Gani Rroshi, national leader of Albania opens the meeting with a prayer

E. Rexhep Meidani (1997-2002), Former President of Kosovo H. E. Fatmir Sejdiu (2006-2010), Peace activist and Saharov Peace Prize winner Mr. Adem Demaci from Kosovo etc.

The event started at 16.00 moderated by **Mr. Ali Lacey** – former Chairman of UPF Albania and one of the AfP who got the inspiration to establish such a Peace Council. Mr. Lacey is one of those close AfP in Albania who has studied Divine Principle,

attended the ODP seminar in Germany, received Blessing and understands True Parents. He said that the Founders of UPF brought the inspiration and have enlightened all of us being here today by appointing as Ambassadors for Peace and supported us to be organized and be here today.

After welcoming everybody, Mr. Lacey gave the floor to **Mr. Bajram Ibraj** – chairman of UPF Albania who explained how the idea of establishing the Council arouse two years ago and the process of preparations until this day when all those

dignitaries had come to attend and be part the this historical event. Mr. Ibraj explained also the spiritual background and how this initiative was to be developed based on UPF founders' teachings.

and hard work. Therefore we should work hard to reach our goal to bring peace among people, among states and nations. As Mother Teresa said, even what you do is as small as a drop of water in the ocean Do It, because if you don't then the ocean will be without that drop. Therefore we AfP are most interested to bring about reconciliation among peoples and nations based on teachings of Rev. Mun and his followers.."

Afterwards, **Pres. Meidani** among others mentioned *"I propose that our Peace Council should focus on several specific areas where we give our input. One of them is promoting and strengthening the Interreligious harmony*
