Matching Supporter Training November 19, 2023
1 PM Pacific time (4 PM Eastern time)

Hi all,

Becoming a matching supporter is a very rewarding way to serve our members, and here are some of the benefits:

1. Qualifies you to guide single members whose parents are not involved in our movement (including your own spiritual children) in the matching process;
2. Gain extra guidance that may be helpful in supporting your own children;
3. Gives you the opportunity to support other families - parents and children - in the matching process;
4. Helps you have a better understanding of the resources that are available.

NOTE: All **First Generation single members** need a matching supporter in the matching process.

The next live (virtual) matching supporter training will be Sunday November 19, from 1 PM to 6:00 PM Pacific time (4 PM to 9:00 PM Eastern time) [REGISTER HERE](#)

All members who have been

- 1. Blessed for one year or more, and**
- 2. have the approval of their Pastor**

can become a matching supporter. We especially want to encourage younger Blessed members to consider volunteering.

- To confirm your attendance please register. We will be sending information before the program to help you to be better prepared; the zoom link will only be sent to those who register.
