### Albania and Kosovo – Witnessing Opportunity

**Please pass to all members**

---

Dear National and City Leaders,

Please inform your membership of a wonderful opportunity to actively contribute to the providence and have a rejuvenating experience by joining witnessing activities in Albania, Kosovo and Romania during the remainder of 2014.

#### **It can be very fruitful:**

- STF Europe's 2<sup>nd</sup> Generation witnessing teams and the Japanese & Korean CIG Missionaries recently brought 24 guests to the Albanian 5 Day Workshop!
- Our 1<sup>st</sup> Generation brother, Bengt de Paulis was greatly uplifted by his visit to Albania last year – see his testimony attached.

#### **Practical points**

- Each centre in Albania and the centres in Pristina (Kosovo) and Bucharest (Romania) have the possibility to receive several European members to join them in their witnessing activities.
- Bucharest (Romania) would prefer witnesses to come from September onwards.
- Why not make a witnessing pair or team from your community or nation?
- Participants will need to pay 50Euros per week to cover the cost of their stay in the centre.
- They will also need a recommendation from their National/Community leader on their application form (see attached)
- Please forward application forms to the European office and we will forward to Albania, Kosovo and Romania
- **Travel** – it is wise to check for the most economic way to travel. In addition to direct flights you might consider flying to Thessaloniki in Greece and taking road transport into Albania – or travelling to Bari in Italy and taking the Ferry to Durres in Albania. Kosovo can be accessed by direct flights to Pristina or a cheaper route could be via Skopje in Macedonia.

Yours sincerely,

Tim Miller and Peter Staudinger  
European Office
