

WFWP Australia UPF and YSP work together on Tonga Go Fund Me campaign

Anne Bellavance

February 1, 2022

Just last week, there was an eruption of an underwater volcano near Tonga, which was likely the biggest recorded anywhere on the planet in more than 30 years. Tonga is a Polynesian country of more than 170 South Pacific islands and home to about 100,000 people. The people of Tonga are facing a critical situation from the aftermath of the eruption and need our help.

WFWP Australia has teamed up with UPF (Universal Peace Federation) and YSP (Youth and Students for Peace) for the Together for Tonga Go Fund Me campaign.

The Together for Tonga project is urgently raising funds until the end of February. It is until this time that there is an opportunity to send goods with free transportation, to help people with immediate needs due to crops being destroyed and all open water reservoirs being polluted (due to heavy ashfall). Funds will purchase water, food and essential needs which will be purchased and loaded onto a ship bound for Tonga.

PCLC YCLC is organizing this fundraiser.

Created 5 days ago | Volunteer & Service

God is our refuge and strength, an ever-present help in trouble - Psalm 46:1

YCLC's third core mission is to leave an impact on the nation and the world. Let us bring this to life now.

On January 15, Saturday, the Pacific island nation of Tonga, which is home to about 107,000 people, was declared under a state of calamity after a volcano beneath the sea off the coasts of Tonga erupted, sending an ash cloud 20 kilometers into the sky, covering the country with ashes and smoke and triggered a tsunami, which flooded parts of the archipelago.

Needless to say, the Tongan people are now in need of our help. With this, YCLC and PCLC initiated a recent campaign. We will be working with our connections in Tonga to provide assistance to identify the affected communities.

Our goal is to seek financial support to the people of Tonga whose homes have been flooded and are in need of emergency shelter, food, safe drinking water, toilets and other basic essentials. We will be allocating all the funds that could be raised through GoFundMe in sending the immediate needs of the community. Let's all put our hearts and spirit together and rebuild the nation of Tonga.

Let's work together as one family under God.

\$6,451 AUD raised of \$30,000 goal
