Dear brothers and sisters,

As the situation in Europe and around the world is finally stabilizing, we are very pleased to confirm and once again announce the **first-ever live Central and Eastern European Summer HARP Workshop** in Glanów! With less than two months left until the event we would like to share some important information with all those who have already saved their spots and those who are still thinking about joining us.

Date: 2<sup>nd</sup> – 8<sup>th</sup> August, 2021

Place: Glanów workshop center, Poland

Workshop fee:

Early birds: 130 EUR (those registering until June 27<sup>th</sup>)

Standard: 145 EUR

The motto of the workshop will be “Ingredients for Change” and the ingredients we will be talking about are based on our Family Pledge. The program consists of education on practices that positively influence both our life of faith and attitude towards our everyday life – talks and testimonies will be given by both first and second generation staff members.

This is an opportunity for blessed children to participate in discussions, challenges and various other activities that can help them realize their individual truths and build a faith that will stay strong and authentic throughout their lives. This is also an opportunity for us to bond through team building activities, games and the long-awaited fun.
