Announcements

Congratulations to CARP CSN (College of Southern Nevada) on receiving the final signatures from its adviser to **officially become a club** on campus!

Mr. Arnold Bell, the adviser, was excited to hear about CARP's vision and dreams, which he resonated with very much. He emphasized the importance of always remembering to center what they do on their vision and core values.

The CARP students were surely surprised by his depth of wisdom, and are excited to continue expanding the kingdom, now at CSN!
