## **Interreligious Conference**

## Barcelona, Spain, 21. December 2017

Since October 2016 UPF Barcelona started a project of interreligious conferences in our new centre in Barcelona, Ronda Barcelona, following the example of this kind of program in Madrid.

We organize these conferences twice a month, the first and third Wednesday of each month since 19:30 to 21:00 pm. These events besides the conference can include meditation, songs, video projection, poems, music, etc. Everything that can transmit the spirit of the chosen person. During these first months, we had some people who already know the interreligious work of UPF:

Mr. José Tarragó Ferrer – Former president of the Spanish Theosophical Society

Dr. Joaquím Cervera I Duran – Sociologist and theologian

Pilar Quera – Member of the Coordination Team of the Brahma Kumaris Spiritual Association

Dvuarka Dasa – License in Oriental studies

Ricard Rotllan – Former Buddhist monk with a master in meditation and yoga archaya

Agustín Pániker – Director of the Káiros Editorial.

We want to continue these kinds of events in 2017 so that we can make a greater foundation in Barcelona.
